

PRAIRIE™

Prairie a new soft seating series proportioned to work well where space is limited, making it ideal for any reception or lounge seating area. Global's response to "transitional" styling, Prairie combines historical styles with influences from today's contemporary geometry and scale. Prairie features soft curved arms, clean tailored lines, a button detailed back, and a beautiful wood skirt with wood feet. A subtle mix of both the Midwest and Manhattan, Prairie will integrate easily with a wide range of interior styles. Choose from the single lounge chair, two seat sofa or three seat sofa.
