Many of our business partners offer these incredible savings opportunities, and the list continues to grow.

**E&I members participating in the Airgas program with an executed Participant Supply Agreement are eligible for an annual incentive rebate on Year over Year (YOY) purchases for all products to promote incremental sales growth each year.**

The incentive amount will be based on the previous fiscal year (April 1 - March 31) including overall product and applicable service sales, excluding revenue related to cylinder rental and maintenance, surcharges, delivery and service fees, hazmat fees and freight charges. The incentive will be paid annually to E&I by the end of April. E&I will pay members in accordance with the report provided by Airgas.

**E&I American Express**

Leverage the aggregate purchasing power of the E&I membership. All members participating in the E&I American Express Corporate Purchasing Card Program are eligible for cash incentives. Incentives are determined by:

- Aggregate purchase volume of all participating members
- Expenditure at which the individual member pays the institution’s American Express bills
- Purchase volume of the individual member

Incentives will be payable at the end of each contract year directly to the member by American Express. Refer to www.eandi.org for details.

**American Hotel**

American Hotel will provide an annual purchasing volume rebate for E&I members with annual purchases exceeding $300,000 within a twelve month period (January 1 thru December 31).

The rebate amount will be calculated as follows:

- $500,000 + Annual Sales = 1.5% Rebate
