Higher Education
THOUGHT STARTERS
Preparing them for the future.

During college, a student’s future starts coming into focus. Learning doesn’t slow. It grows deeper and more complex. Educators strive to teach what employers demand of the next generation: critical thinking, team collaboration and problem solving.
Smith System® snapshot for Higher Education:

- **Versatile.** The subject and education will influence the layout. But keep classroom furniture highly mobile so that students can quickly tuck-in their tables, get comfortable, and get to work.

- **Choices.** Simulate the flex-seating movement that began in office spaces. Offer traditional chairs, café-style seating, soft seating, rockers and more. Then let students pick where they learn best.

- **Right Size.** Adjustable tables, chairs and desks keep everyone comfortable, be mindful of plus-size students, too.

- **Aesthetics.** Match their maturity with subdued colors, but with a touch of school spirit. Durable, high-quality crafting keeps furniture looking good.

- **Educator Tools.** Keep expensive teaching tools mobile, secure and tidy. Look for workstations, lecterns, maker carts, whiteboards and storage on wheels.
Flowform®

Each piece blends the concept of loose-fit freedom with sleek aesthetics and functional practicality. It’s furniture that empowers students to curate their favorite spots for the learning that happens in every moment.

✓ Available in 4 shapes, with 2 divider wall sizes.
✓ Constructed of durable 18mm birch plywood veneer.
✓ Designtex 100% vinyl fabric, phthalate free.
✓ 1,000,000 Wyzenbeek double rub (CD) rating.
✓ Polyester fabric backing.
✓ Easily cleanable with a 10:1 water: bleach mixture.

Casters available for Flowform® tables!
**Groove®**

Streamlined aesthetic. High-tech injection molding not only keeps the seatback strong and flexible, but it eliminates the exposed structural “ribs” on the back of the chair’s shell. It’s sleek and calm, yet familiar. It’s a crossover chair that quietly blends in anywhere: classrooms, cafeterias, flex studios, maker spaces and more.

✓ **Flex you can feel.**

Groove® is designed with a “flex” cushion seat back surface. The gentle contour and slightly higher upperback shell spread the student’s weight over a larger surface area. The slim waist design and strong lumbar support, so kids can turnaround easily and maintain good posture.

✓ **Immediately Supportive.**

Students can feel great and get to work, with less settle time. The ergonomic seat pan and subtle shell contours support movement in a working posture at a desk and sideways sitting. A gentle flex at the top of the shell opens the contours up for a relaxed position.
Different heights available for Stools and Noodle Chairs!

- **33889**: 24” Fixed Height Stool
- **33891**: 30” Fixed Height Stool
- **33851**: Noodle Chair
- **33855**: Mobile Stack Chair

- **33841**: Adjustable Chair w/ glides
Theorem®

A new seating line designed for high school and beyond. Two major seating positions — working and slightly reclined — are perfect to support higher ed learning. Unlike traditional school chairs, Theorem provides the feeling of continuous support, whether the student is sitting up for table surface work or looking up to participate in discussions. Shell available in 10 colors, frame in platinum only. **Wire rod frame in chrome finish.

✓ The shell rests on the frame, not rivets, to add comfort
✓ Unique nylon shell offering unmatched strength
✓ The legs are strong, 14-gauge welded steel
✓ Stacks four chairs high

Mobile Whiteboard

**25260WCS/PL**
Mobile a3 CeramicSteel Whiteboard

**a3 CeramicSteel Mobile Whiteboard** by PolyVision enables on-the-go collaboration. Line up multiple boards side by side for large brainstorming sessions, separate them for smaller breakout sessions, or simply move collaboration from one room to another. When not in use, mobile nests easily to save on space. The aluminum frame is powder coated in a platinum color to blend seamlessly into any space.

Planner® Studio — Mobile Whiteboard

The Planner® Studio Whiteboard perfectly complements our Planner® Studio line of tables to create a unique and creative environment for today’s learners. Choose between a sophisticated looking two-sided laminated writing surface or a CeramicSteel option. Mobile whiteboard includes a small shelf located on both sides to hold markers and erasers. The unit is available in 5 frame colors; Apple, Cerulean, Orange, Platinum and Charcoal. 4 locking casters provide mobility.
Flow Vertical Modular Whiteboard Panels

**a3 CeramicSteel Flow** is a full-height writing system that allows users to mount panels side by side to maximize wall coverage. *(Single panels not available for use. Different panels are configurable to match up and create versatile, collaborative work areas.)*

Collaborate Freely. The importance of collaboration has never been greater, but people need the right tools to capture their ideas. **a3 CeramicSteel Flow** is a full-height writing system that brings limitless writing freedom to any workspace. With a slim profile, clean edges and rounded corners, Serif delivers a blend of design, materiality and functionality for busy collaboration spaces in corporate and educational environments.
Silhouette® Sit + Stand Student Desk

The Silhouette® Sit + Stand student desk is a welcome addition to any collaborative environment. Specify 4-6 to create an engaging learning zone, or outfit the entire classroom for the ultimate flexible learning environment. Featuring a unique adjustable column that floats from 26 inches to 41 inches with the press of a lever, this student desk truly adapts to any learning situation. At its lowest height students can choose to use a standard 16” or 18” height chair.
Silhouette® Student Desk

The Silhouette® Desk is a contemporary desk that combines elegant design, durability and functionality. It’s stable and strong, and its leg design allows easy ingress and egress. A backpack peg is standard.
**Planner® Studio Tables**

These sophisticated 29”h, 36”h and 40”h tables meet the demanding needs of today’s creative learning spaces, without the pared down “shop-class” aesthetics. The adaptive urban industrial style allows for crossover application in media centers, active learning spaces, common areas or any space that encourages collaboration and social learning. These tables are also available with adjustable frame. Strong, 14-gauge legs are protected with a durable powder coat surface.

- ✓ Sturdy 1¼” desktop with a high-pressure laminate surface.
- ✓ Planner Studio comes standard with 4” diameter casters, with all 4 wheels lockable.
- ✓ Optional foot rest available for 36” & 42” height Studio tables, platinum finish only.
- ✓ Butcher Block available in 36”x 72”, 30”x60” or 48”x48” only.

Cascade® Air

Cascade® Air helps provide the peace of mind students and teachers need to return to school—and stay in school. This medical-grade air purifier circulates HEPA filtered air up to six times per hour, collecting particles .3 microns and smaller including respiratory droplets with 99.99% efficiency. It drastically reduces the respreading of airborne contaminants including the SARS-CoV-2 virus, allergens and other pathogens.
Create **Safer** Learning, Room by Room
Cascade® Two-Sided Whiteboard Unit

Smith System® is helping educators maximize their shrinking learning environments by introducing the new Cascade® Two-Sided Whiteboard Unit. This versatile, nomadic workhorse replaces the traditional single-purpose whiteboard with a dual-purpose mobile whiteboard plus storage. Key features include painted white magnetic writing surfaces on the front and back of a storage unit which houses customizable, extra-wide totes. The classroom just became more flexible than ever. Platinum Only.
Cascade® AV Presentation Cart

This presentation cart provides movable, lockable storage for AV equipment, and a durable work surface. Locking doors open 270° to provide obstruction-free access to AV gear and materials.

- ✓ Total of four electrical outlets outside and five inside connected with one 12 foot cord.
- ✓ Available in 19 colors.
Cascade® Makercart

With five inside outlets and four exterior outlets this AV cart is perfect for makerspaces, 3d printing and presentation needs. This school cart provides movable, lockable storage with a durable work surface to hold instructor notes and 3D materials. 1 1/4” top with a choice of Bumper T-Mold or 4mm T-Mold. Choose from 13 standard laminate colors and 20 standard edge colors. Platinum frame, end panels available in 19 colors. Also available in a Cascade® Mid-Case AV Cart size.

✓ Locking doors open 270° to provide obstruction-free access to AV gear and materials.
✓ Ventilation ports to help cool electronic devices and projectors.
✓ Cord access ports, data ports and two electrical outlets (four outside, five inside).
✓ Rolls smoothly on 5” double-wheel casters.
✓ Power outlets connected with one 12 foot cord.
Café Meeting Tables

Café Tables are a popular choice for creating casual meeting areas in commons, libraries and classrooms. Start by choosing (1) a top, (2) then choose from available heights. Next, choose from Circular or Crisscross styles. 42”, 40” and 36” Standing Height models offer Backpack hooks, standard. (3) Choose optional power for the top, power cord runs out bottom of base. 1 1/4” thick top available in all standard finishes. Bases available in Platinum or Black.

Power module can be added to all café tables!

- 01506 + 01467 Cafe Table Round Top, 24” Circular base
- 01501 + 01451 Cafe Table Square Top, 24” Circular base
- 01502 + 01451 Cafe Table Round Top, 24” Circular base
- 01524 + 01451 (x2) Rectangle Cafe Table, 24” Circular base
- 01527 + 01451 (x2) Oval Cafe Table, 24” Circular base
