

Steelcase + E&I Cooperative Services

Steelcase is a global design and thought leader in the world of work. For over a century, Steelcase has designed and manufactured an expansive range of furnishings and solutions for the many ways people work. Partnering with leading organizations around the world, we support the many places where work happens – offices, homes, healthcare and learning environments.

At Steelcase Learning, we inspire a life of learning by creating places that engage and ultimately empower people, within and beyond the classroom. Our longstanding contract partnership with E&I Cooperative Services strengthens this commitment by providing the expertise and resources needed to support specialized procurement for learning spaces.

Our Dealer Community

Creating the places where people can do their best work is a complex effort. Every Steelcase dealer is an engaged partner who can help you navigate every aspect of your workplace journey, from creation to installation and beyond — providing the capabilities and tailored solutions you need. We're with you every step of the way. Together, we deliver local expertise with the global power of Steelcase behind every experience.

Industry Leading Warranty

No one in the industry offers a warranty as broad, deep and extensive as Steelcase. The quality and durability of our products are demonstrated in lower warranty expenses per sales dollar despite the strength of the warranty coverage.

Financial solutions that meet your needs

Paired with E&I Cooperative Services, we can provide financing at below market rates through Steelcase Financial Services. Providing financial alternatives to meet your needs, E&I Cooperative Services and Steelcase Financial Services make a great choice to amplify benefits to your learning space.

Contract Information

Contract No. EI00140
CDA US – 21Z00987 CAN – 22Z01109
Expiration Date: February 27, 2027

The competitively awarded contract between Steelcase, its partner brands, and E&I streamlines the procurement process, making it easier for organizations to quickly and efficiently access a wide range of solutions that support diverse classroom typologies and learning spaces.
