RFQ 683409 - Building and Construction Management Services- At Risk (CMAR)

After the conference call held by E&I on Wednesday April 18, 2018 for this RFQ, certain questions were sent via email. These items are described in this addendum below;

- Q1.) Attachment E, page 32, Compliance Language – State of Connecticut: Should Suppliers submit the required forms from the Connecticut website or are they only required upon award or later?
 - A1.) Suppliers are required to submit the State of Connecticut forms upon award. Note; These forms are to be sent directly to the State of Connecticut.
- Q2.) Attachment F, Page 33, Debriefing, Protests and Appeals Process: Do Suppliers need to have this signed and returned?
 - A2.) Attachment F is required to be returned with the Suppliers response under Tab 6. A signature is not required but we recommend that the form be initialed by the Supplier.

These changes constitute an addendum to the above referenced RFQ and are made a part thereof. Please sign below and return the addendum with your response to acknowledge receipt of the addendum. Thank you.

Sincerely,
