

As of the deadline for RFP related Questions for RFP 683394 for Fleet & Automotive Parts and Services, the following questions were received;

1. What is the past 5 year annual worth of this contract?
A1.) Total member purchases on individual contracts is considered confidential information by E&I. What we can share is that based on the spend data that we have collected from our members, the total Market for Auto Parts across our entire membership is estimated to be between \$50 and \$100 Million.
2. How many vendors will be awarded for this RFP?
A2.) As discussed in the Pre-proposal conference call; in Section 5.5, letter C, on page 16 of the RFP Document it states “E&I reserves the right to make a single award, multiple awards, or to make no award as determined to best meet the needs of the membership.” The number of awards will be determined by our evaluation team after we have read and scored all the proposal responses.

These changes constitute an addendum to the above referenced RFP and are made a part thereof.

Please sign below and return it under Tab 5 with your RFP response to acknowledge receipt of this addendum. Should you have any questions or concerns, please do not hesitate to contact me at bsolak@eandi.org. Thank you.
