

AMERICA TO GO

Catering Management Solution

Manage Your Catering Order Expenses Online

America To Go provides third party management of your institution's off-campus food services expenses. With streamlined order tracking, customizable expense policy enforcement, and efficient reconciliation functionality, *America To Go* will help you reduce costs and better manage your catering procurement.

Contract Highlights:

- Savings through automated site parameters, increased accountability & enhanced enforcement of university policies
- Improved pricing & service through a transparent & competitive marketplace
- Reduced contract management and accounting time with improved compliance
- Increased utilization, transaction volume & spend on your JAGGAER (formerly SciQuest) system
- Reduced risk by directing food orders to restaurants & caterers screened to meet university requirements
- Support for your institution with 24/7 customer service & a dedicated account manager

Additional benefits available through this contract include searchable menus with point-and-click ordering, automation of university policies including tax exemption and tipping, and preferred access to in-house caterers.
