

30 Years in Business

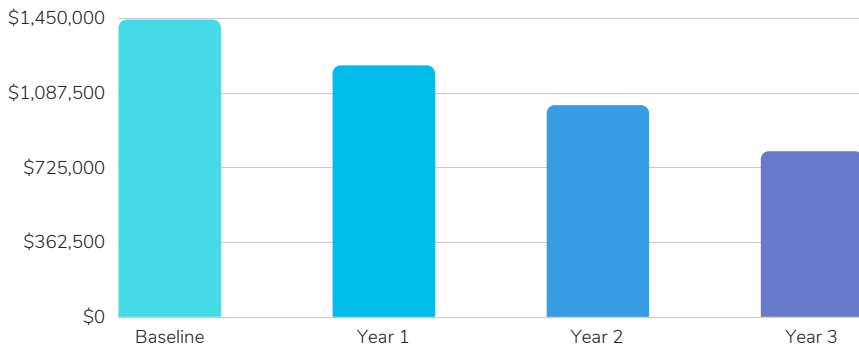

Antos environmental, inc boasts a 30-year track record of resource management and education, dramatically reducing the environmental footprint of organizations while providing cost savings and a culture that promotes environmental commitment.

**Sustainability Consulting and
Cost Reduction Program**

Proven Results

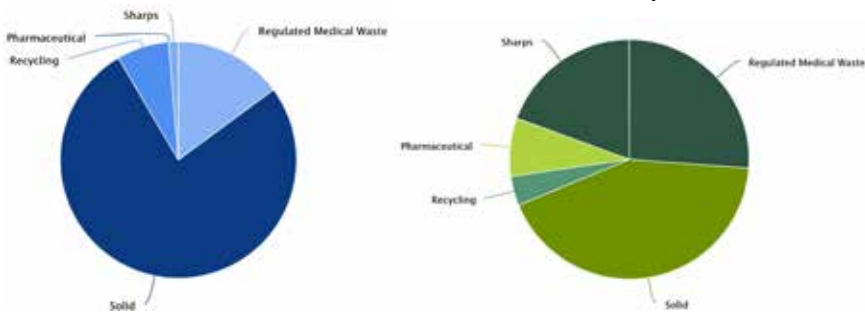

ANTOS creates targeted plans for each client to attain their SPECIFIC goals. With nationwide Health Care & Higher Ed. clients, the ANTOS method has proved efficient across a variety of climates.

Miami University

TOTAL SAVINGS TO DATE \$1,275,897.00

Thomas Jefferson University

TOTAL SAVINGS \$1,670,392.00

VOLUME OFFSET 8,550,919 lbs

Data Management

Antos Environmental has created an interactive dashboard system that tracks monthly cost and tonnage for all waste streams.

The Dashboard can be used to outline trends, locate anomalies or can be shared internally / externally as a means of project progress.

ANTOS CLIENT DASHBOARD

Additional Services

Additional services include a Feasibility Study. Used to create a snapshot of current sustainable practices. This Study also produces an environmental impact statement that provides comparative info to institutions of similar size and type.

[Take Our Feasibility Survey](#)

antosinc.com/feasibility-survey

In an effort to ensure program retention; Antos Environmental creates an Education plan to inform staff on new programs.

Antos creates supporting materials to ensure program preservation. Items such as:

- Literature / Brochures / Signage
- Electronic Resources
- Monthly Progress Reports

By encouraging a new culture within organizations to support environmental initiatives, Antos Environmental provides a variety of services such as:

- Minimizing Waste Volumes and Associated Costs
- Reprocessing Equipment / Materials
- LEED Consulting
- Implementing Comprehensive Recycling
- Contamination Management / Proper Disposal Practices
- Environmental Management Systems (Technology)
- Environmental Policy and Procedures
- HIPAA Compliance Check
- OSHA Compliance Check
- Vendor Management / Contracting & RFP Support
- Environmental Purchasing Advisory
- Education and Monitoring
