Team Management - Admin Privileges

When you sign up through the website www.bandhphoto.com/eandinow you will have Admin Privileges, also known as Team Management. Team Management is a tool, found in My Account, that allows you to build a team to enable centralized purchasing, purchasing privileges, and a full view of your team’s order and quote activity. When your colleagues sign up through your invite, they become team members, but do not have Admin Privileges.

WHAT EXACTLY CAN I DO AS AN ADMIN?

Invite users with the same domain:
Build a team by inviting your colleagues who have the same email domain. A user becomes a team member once they accept, by clicking Complete Sign-Up, on the team invitation email. The invited team member will log in using their own email address, but the Admin can see their quote and order activity.

Assign purchasing privileges:
The Admin can select specific purchasing privileges for individual team members. For example, as the Admin, you could assign a member the ability to purchase using NetTerms, only Credit Cards, or quote only. If you do not choose Net Terms or Credit Card the user will only be able to receive quotes.

View team members’ quotes and orders:
Purchases and quotes by team members will be visible to the Admin. The Admin has the option to turn other team members’ quotes into orders.

Transfer Admin status:
If the current Admin needs to transfer their Administrative privileges, they have the ability to transfer the Admin Status to another user who is a currently a member of their team.
How to Invite Team Members

**STEPS TO BEGIN INVITING:**

1. Once logged in, click on *My Account* found in the top right banner.
2. In My Account, scroll down and select *Manage Team*.
3. In Manage Team, on the right hand side, you will see *Invite Member*. To begin inviting, input your colleagues’ email addresses. In the check boxes you can assign purchasing privileges to order with a credit card, net terms, *or quote only if credit card or net terms is not selected*. You can always edit your team members’ privileges once they are under your purchasing umbrella.
4. Your colleagues will receive an email with the invitation to join. They *must* select *Complete Sign-up* to become a member of your team.
5. The new team members will login using their email and password. Moving forward, the Admin will be able to see all of their quote and order activity. The team member will see their privileges as well as the admin’s email address in the My Account Page *highlighted in blue.*
Set Up Net Terms & Tax Exempt

The B&H E&I portal allows you to apply for or link a current Net Terms account or Tax Exempt account, in My Account, directly through the portal.

**Steps To Link Existing Credit Accounts:**
If you have an existing Net Terms or a Tax Exempt account established with B&H, go to My Account and select the option to **Link to Account**.

When you select the Link to Account option, our system **automatically identifies** existing accounts associated with the email address you logged in with. You will be required to select an address. You will instantly be able to use the Net Terms/Tax Exemption account upon checkout. *If you have a Net Terms/Tax Exempt account and it is not showing up, email b2bsupport@bhphoto.com*

**Apply for Credit or Tax Exempt Status:**
If you want to apply for a credit account with B&H, select **Apply**.

Once the online application is complete and submitted, the request will be reviewed and responded to within 24-48 business hours.

For Tax Exempt Status, in My Account, select Tax Exempt/Apply, choose an address and click Apply. The B&H Tax Department will receive your request and respond with further instructions.
Quick Order Functionality

Quick order functionality is an added feature for when you want to quickly purchase and already have the B&H Item #. This tool allows you to add your items to the cart so that you can check out without having to search for the item.
The quote functionality on the B2B E&I portal allows you to get an instant quote or receive a price review quote.

**Instant Quote:**
You can request an instant quote **any time there are products in your cart**. The instant quote is delivered in minutes with E&I pricing. A quote cannot be modified online once it has been submitted. Please contact your account representative. All updates made by your account representative will be reflected on the portal once the page is refreshed.

**Price Review:**
You will be given the option to get a Price Review quote on larger opportunities totaling $500 and over. The quote will be routed to our buyers to review for the best possible price, and submitted to you between 1 hour and 1 business day.

**Quote to Order:**
Once the quote is ready, you will receive a notification email, and the Orders/Quotes link, in *My Account*, will have the updated quote. Select the quote to be directed to Checkout. A quote will be valid, and ready for two weeks. If the quote is *expired*, you have the option to add all to cart and recreate the quote request, or contact your account representative to update the expiration date.
