

Innovate. Optimize. Secure.

Now Available: Custom IT Solutions to Help Drive Innovation, Security and Efficiency at Your Educational Institution

Looking for best-in-class IT support services?

E&I's new agreement with **Columbia Advisory Group**, a well-respected IT services provider with deep IT expertise and experience serving the education sector, will help drive IT innovation, security, and efficiency at your educational institution.

Members now have access to a full suite of IT service solutions tailored to meet the unique needs, budgets, and goals of higher education and K-12 institutions.

From consulting and managed services to ERP, LMS and SIS implementation and management, audio/visual design, installation and support, and much more, CAG partners with top-tier providers to deliver customized strategies and solutions that are flexible and scalable in every area of IT. All services are available a la carte, and on a per project or fixed fee basis.
