

Industry Leading Provider of Multi-Brand Technology Solutions

CDW Government LLC (CDW-G) offers over 30 years of IT experience with specialization in discrete hardware and software products and integrated IT solutions, including mobility, security, cloud, and data centers. They proudly partner with major manufacturers such as HP, Microsoft, Lenovo, and Cisco in order to provide comprehensive solutions for your PC, server, storage, networking, and IT peripheral needs. The contract also includes, for higher education members, access to Apple products - many of which are priced below current Apple Education Pricing.

With over 1,400 partner relationships and nearly 1 million square feet of space between multiple distribution centers across the country, CDW-G is able to ensure members receive the products and services you need quickly and efficiently.

Contract highlights:

- Competitive pricing across CDW-G's entire service and product portfolio
- Advanced technology solutions (virtualization, security, data center optimization, etc.)
- Enhanced Member Pricing and Supplier Diversity Programs available
- Apple product accessibility for higher ed, most priced below Apple Education Pricing
- Streamlined e-commerce and e-procurement integrations
- Access to an array of services and custom configurations, including equipment staging
- Custom online ordering website and dedicated CDW-G Account Manager
- Software Asset Management solution available to help manage software licensing and methodologies
- Service and support through OEM-certified experts

For additional information on this exciting contract, please contact your [Member Relations Representative](#) or Michael Mast, *Business Development Manager, Technology*, at mmast@eandi.org. You can also visit us at www.eandi.org.
