

## Grow & Protect Your Brand in the Digital Age

---

CDW Government LLC (CDW-G) is a leading provider of public and private cloud computing services. CDW-G streamlines the complexities of cloud solutions, helping you assess your priorities and determine which apps and processes should and shouldn't be moved to the cloud.

The competitively-solicited E&I CDW-G agreement provides access to Software as a Service (SaaS), Infrastructure as a Service (IaaS), and Platform as a Service (PaaS) solutions as well as public, private, and hybrid cloud solutions from top providers, such as Acronis, Box, Egnyte, Nasuni, UniTrends, and more. Add-in a dedicated account manager for assessment, design, deployment, and ongoing management, and you can rest assured that your cloud solutions will be seamless for your institution.

Whether you're new to the cloud or looking for new ways to maximize its benefits, CDW-G has the expertise to help you succeed.

### CDW-G's broad-range of cloud technology solutions includes:

- Large portfolio of cloud solutions encompassing numerous providers in several categories
- Dedicated account manager for consulting, architecture, deployment and ongoing management assistance
- E&I managed rebate incentives
- Software Asset Management solution available to help with software and overall cloud licensing, and other methodologies
- Dedicated cloud expert will work with you to select the right provider and develop the perfect solution
- Ongoing support from assessment and design to deployment and management
- SaaS on Demand
- End-to-End IaaS
