

## High Quality Services, Nationwide Support, Localized Attention

---

CORE Construction is a highly regarded JOC company with an outstanding foothold in the markets most important to E&I members. CORE creates customized buildings that meet member needs while strengthening the community by using local workforce.

All work performed by CORE is completed using alternative project delivery methods, resulting in unmatched results and customer satisfaction. CORE is unmatched in their emphasis on ensuring clear and consistent communication before, during, and after project construction. Their dedication to delivery and customer service has earned them a reputation as the premier builder for educational facilities in the United States.

For more information, please contact your [E&I Member Relations Representative](#) or David Ott, Business Development Manager, Facilities at [dott@eandi.org](mailto:dott@eandi.org).

*This contract was the result of a competitive solicitation - E&I's RFP #683318, and is available to E&I members in all 50 states.*
