Sanitation: Disinfectants, hand sanitizers, paper goods, dental care, soaps, and other cleaners. 

E&I's Business Partners are Here to Help

Members have told us that the products listed in the categories below are most needed in the short term. While some of these items may be unavailable or on strict allocation by suppliers, we encourage you to reach out to our business partners to let them know what you need.

Remember to use your E&I account number to ensure you receive the correct pricing on all purchases. Your first point of contact should be your local rep, but additional contact information is provided in each category.
