## Cloud Solutions & Related IT Hardware, Software, & Services

---

Carahsoft Technology Corp. is an industry-leading provider of cloud solutions and related IT hardware, software, and services. Carahsoft supports members across the public sector, and is a leading distributor in the education and academic healthcare markets nationwide. Carahsoft combines technological expertise with a thorough understanding of education sector procurement to help members select and implement the best possible solutions that deliver the greatest value.

The agreement provides a streamlined path for members to procure innovative cloud solutions and achieve their objectives. Carahsoft's teams of more than 1,900 professionals offer a broad range of services to ensure successful deployments, including installation guidance by certified specialists, operating and troubleshooting documentation, and quarterly reports on utilization. In addition, these professionals provide members with ongoing IT consulting, training, and support services.

### Contract Highlights:

- **Flexible distribution channel** for cloud solutions and related technology products and services.
- **Competitive discounting** on cloud technologies, SaaS, PaaS, and related IT solutions.
- **Consumption-based contract** enables you to purchase according to your institution's technology needs and financial constraints.
- **Purchase options:** purchase direct or through your preferred technology partner.
- **Quick and easy purchasing:** immediate action provides you with quote-to-purchase capabilities within 24 hours of initial contact.
- **Smooth and seamless process** to successfully implement, maintain, and upgrade your technological footprint.
