

## Strategic Consulting for Educational Procurement

---

**Civic Initiatives** provides consulting services that make procurement a strategic asset. They focus on procurement assessment and transformation support, helping E&I members accelerate efforts to transform and manage procurement and information technology functions.

Civic Initiatives helps educational institutions resolve challenges faced by procurement professionals including planning, project management, strategy development, technical assessments, system implementation, testing, and support.

### Contract Highlights:

- Public procurement experienced and certified consultants
- Comprehensive list of services available
- Preset hourly rates
- Competitively solicited contract
