

THE PROBLEM

Trying to manually manage all stages of a contract's lifecycle can be daunting and incredibly time-consuming. You need a better way to keep track of key dates, executed and supporting documents, approvals, price/cost schedules, negotiations, vendor certificates, and much more. CobbleStone's contract management software leverages your organization's processes and provides a user-friendly interface, ease of use, smooth implementation, and rapid time-to-value.

THE SOLUTION

CobbleStone is the leading contract lifecycle management software dedicated to helping you manage all activities throughout the life of your contracts. Colleges and Universities can also leverage the fully branded public-facing portal that will streamline Freedom of Information (FOIA) and public records request processing with self-serve accessibility. With our user-friendly platform, you now have a one-stop solution automating the work and eliminating your stress.

With CobbleStone, users have:

- ✓ Auto-email and calendar alerts
- ✓ User-defined fields
- ✓ Workflow management
- ✓ Bottleneck improvements
- ✓ Standardized contract authoring
- ✓ Vendor management
- ✓ Enhanced Freedom of Information Act (FOIA) request processing
- ✓ Vendor diversity reporting
- ✓ And more!

Don't stress any longer. Visit us at www.CobbleStoneSoftware.com to start your **FREE 30-day trial** and learn why thousands of users trust CobbleStone to harness the power of smarter contracts.
