

Workday ERP Implementation Consulting Services

[Collaborative Solutions](#), a Cognizant Company, is one of the largest Workday HCM, Financial Management, and Student transformation consultancies in education.

As one of Workday's first customers and longest tenured Workday Services partner in education, Collaborative has helped shape Workday's innovative solutions and offers a unique perspective from the customer's point of view. Leveraging their proprietary CYNERGY™ methodology, team members will guide you through every phase of your Workday transformation, enabling your institution to gain efficiencies, minimize risks, and maximize outcomes.

Contract Highlights:

- **Full lifecycle services** for strategic planning and readiness, implementation, organizational change and training, and ongoing support.
- **Workday-certified consultants and product leads** work closely with members through each stage of the process, ensuring members get the most from their technology investments.
- **Flexible, comprehensive deployment options**, from standard software deployments to full digital transformation.
- **Proprietary implementation methodologies** tailored to meet your institution's unique needs.
- **Unprecedented success** delivering value to education clients looking to adopt the latest Workday technologies since 2003.
- **Student Readiness Workshop** helps institutions gain a clear framework for your Workday Student deployment.
