

Innovate. Optimize. Secure.

Custom IT Solutions to Help Drive Innovation, Security and Efficiency at Your Educational Institution

Columbia Advisory Group's (CAG) mission is to be your first and last call for technology consulting, guidance, resources, and support. CAG understands the unique IT needs of higher education and K-12, and provides best-in-class IT support services to improve the functional business performance of clients by optimizing technology resources and related processes enterprise wide.

From IT consulting and managed services to ERP, LMS and SIS implementation and management, audio/visual design, installation and support—and much more, CAG delivers customized strategies and solutions that are flexible and scalable to meet each client's unique IT needs, budgets and goals. All services are available a la carte, and on a per project or fixed fee contract basis.

CAG's broad range of expert technology services includes:

- **IT Consulting Services:** Drive value & business process transformation
- **Managed Services:** Simplify, modernize & optimize IT infrastructure
- **ERP, LMS & SIS Implementation & Management:** Seamless solutions for your unique needs
- **A/V Design, Installation & Support:** Simplified, scalable & serviceable solutions
- **Network & Systems Security:** Assessments & remediation to reduce risks
- **Application & Cloud Services:** Deliver success through collaboration, innovation & the creation of a robust and secure strategy
- **Integration Services:** Custom development, maintenance & management
- **Data Analytics:** Unlock value & insight from your data
- **Digital Strategy:** Capitalize on proven approaches to digital technology
- **Network Administration & Help Desk Support** Save time, money, resources & shorten wait times
- **IT Outsourcing & Supplemental Staffing:** Seamless integration into your business
- **IT Governance, Risk & Compliance:** Stay secure with policy reviews, guidance, testing, on-going support & remediation

CAG works proudly with a wide range of top-tier technology providers, including:
