

Payments Automation for Educational Institutions

Manage All Invoice Payments in an Easier, More Cost-Effective Way

Corpay Payments Automation allows accounts payable (AP) staff to make virtual card, check, and ACH payments in a single payment process.

Easily execute all payments at one time

Consolidate all virtual card, check, and ACH payments into a single file for effortless processing.

Further reduce AP costs

Minimize expenses associated with costly, paper-based payments, including printing, signing, and mailing checks.

Simplify the reconciliation process

Leverage automated reconciliation and customized reporting for clear, accurate payment data.

Maintain control and reduce payment risk and liability

Effectively control your payments with customizable workflows, all while safeguarding your transactions within our comprehensive security and compliance infrastructure.

Spend less time on payment management

Offload time-consuming tasks such as vendor onboarding, data entry, and payment follow-up, allowing your AP to focus on core operations.

Streamline payments across all rooftops

Simplify oversight of multiple locations by gaining a comprehensive, real-time view of your payment processes under one end-to-end platform.
