T&E Card

Corpay Multi-Card is a single physical card that can be used for travel, and all business expenses. This one-stop-shop solution provides simple reporting, monthly rebates, built-in discounts, and fraud protections for your employees and your business. Simplify expenses by consolidating your purchasing cards into one powerful program with clear insights and customizable controls.

Improve Efficiency and Control

Manage every aspect of employee spend with powerful administrative rules. Customize controls based on specific data elements, such as employee role, purchase type, location, merchant, and more — all on one platform. Our implementation team can even set up preconfigured rules that you can modify later.

Rebates, Discounts, and Flexible Terms

Earn unlimited, monthly cash rebates customized to your spending and cash flow.¹ We empower you to leverage term flexibility with the choice to pay daily, weekly, or monthly, and with no annual fees. Enjoy automatic nationwide discounts on travel and vendor payments.

Mitigate Fraud

Protect your payments and leverage real-time visibility within our comprehensive security and compliance infrastructure. We securely collect, verify, store, and manage your payment data, and even send you real-time cardholder text alerts and notifications to ensure seamless transaction review and approval.

Implement to Your Needs

Implement quickly and easily with our ability to integrate with your existing ERP and expense management systems. Our dedicated in-house implementation teams ensure minimal IT involvement and ongoing support.
