Smarter Corporate Payments

AP Automation Solutions

Commercial Card Solutions

Procurement and POs

Seamless, end-to-end spend management

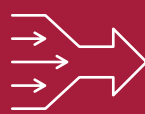

- + Create and submit POs through approval channels or designated system rules
- + Centralize workflows on one robust platform
- + Maximize process control with automated transaction matching
- + Ensure spend transparency from purchase to pay

Invoice Automation

Streamlined automation for efficient processing

- + Extract and match data to invoices automatically with AI and ML technology
- + Automate data entry with intelligent text recognition
- + Expedite workflows with 2- and 3-way match capabilities
- + Simplify onboarding and increase visibility with vendor portal

Payments Automation

Single electronic workflow for all payment types

- + Generate extra revenue with monthly cash rebates
- + Make secure digital payments and access credit with Corpay Virtual Card
- + Mitigate fraud risk and eliminate human error
- + Leverage our in-house vendor team for supplier enrollment and data management

Virtual Card

Secure, single-use Mastercard® payments

- + Earn rebates on vendor payments
- + Increase vendor acceptance with robust ~4M vendor network¹
- + Enroll vendors at a rate 2–3x the industry average²
- + Eliminate paper, reduce costs, and mitigate payment fraud risk

Multi-Card

All-in-one purchasing and T&E card program

- + Manage employee spend with clear, dynamic controls
- + Earn monthly cash rebates, not points
- + Maximize security with fraud monitoring and SMS notifications
- + Boost capital with automatic nationwide discounts on hotels, lodging, and more

Expense Management

Paperless expense reporting and reconciliation

- + Review and approve expenses remotely with on-the-go mobile app
- + Save time with real-time reports and no waiting periods
- + Leverage per diem and reimbursement cards
- + Automate sync processes and code to current GL

1. as of FY23
