

DOCUMENT STORAGE

SECURE RECORDS MANAGEMENT SOLUTIONS

A leader in the industry with more than 35 years of experience, GRM is the largest privately-held document storage company in the United States. With a full suite of premium document storage products and services, GRM delivers a comprehensive document management solution.

STATE-OF-THE-ART FACILITIES

Our storage facilities are located in 16 major metro areas. Each location is equipped with modern fire suppression systems and provides 24-hour, closed-circuit surveillance and security personnel.

EFFICIENT PROCESSES

Strict adherence at all times to PrecisionPLUS, our advanced, chain-of-custody barcode tracking system, ensures accuracy and accountability.

And, our online portal, eAccess, makes it simple to manage and access your documents remotely. So, you can save time by placing orders, running reports, checking the status of an item and processing payments.

PERSONAL SERVICE

GRM is committed to providing top-notch service to all of our clients. We have a national footprint – but maintain a local approach. You get the resources of a large company combined with the personal, highly-responsive service of dedicated, local account managers.

In addition to document storage, GRM offers backup tape and pathology storage services, scanning services, destruction services and a full suite of digital solutions via our secure, cloud-based content platform, VisualVault.
