

ENTERPRISE BUSINESS RENTAL THROUGH THE E&I CONTRACT

Through the Combined Power of Enterprise and National, Enterprise provides customized car rental programs that deliver exceptional customer service, access to a large network of vehicles and locations, plus reporting and tools to help you fulfill duty of care.

What does this tool do?

Enterprise's [Mileage Reimbursement Alternative Tool](#) allows you to compare the cost of renting a vehicle to the cost of reimbursing employees for mileage on their personal vehicles. Not only is there cost savings, but there's also peace of mind with the Duty of Care provided by Enterprise.

The E&I Enterprise contract includes three options with unlimited mileage and competitive rates:

- **Program A:** flat rates with full damage waiver with zero retained responsibility and \$1 million combine single limit liability coverage included
- **Program B:** flat rates with full damage waiver with zero retained responsibility and liability coverage with the limits of \$100,000 per person, \$300,000 per occurrence, and \$50,000 in property damage

Program C: flat rate program, insurance excluded
