

E&I Cooperative Rebate Program Enhancement Announcement

In partnership with E&I Cooperative, we are excited to announce an update to our E&I Cooperative contract #CNR01375 that will take place on May 1st, 2023. To ensure contract compliance, transparency, and consistency for our customers we will be moving to a rebate-only option. This option will provide a more streamlined, easy way to purchase without having to worry about scanning a key fob.

Rebate Benefit Tiers:

- **Receive up to a 7% annual rebate for in-store and on-line purchases.**

Rebate Tier's:

- **\$10,000 – \$24,999 – 2% rebate (less returns)**
- **\$25,000 - \$49,999 – 4% rebate (less returns)**
- **\$50,000 + - 7% rebate (less returns)**

- The rebate will be on all sales from January through December and will pay out yearly on or before March 1st by check.

- All forms of tender will need to be registered in your Pro ID on Lowes.com to track for the rebate.

To ensure that customers get registered properly, the key fobs and online discount will remain active until April 30th, 2023.

If you currently have a Pro ID, please email your Pro ID to governmentsupport@lowes.com and we will connect it to the E&I Cooperative rebate program. We will send you a confirmation once complete, and then you can go to the wallet and save your forms of payment.

If you do not have a Pro ID, go to [Register \(lowes.com\)](#) to register. Enter 3eandi as the Pro ID to join your existing organization.
