

**Re:**

- 1) EXPIRY OF EDUCATIONAL & INSTITUTIONAL COOPERATIVE SERVICE, INC. AGREEMENT CNR01163 (**“Current Master E&I Agreement”**)
- 2) ENROLLMENT IN THE EDUCATIONAL & INSTITUTIONAL COOPERATIVE SERVICE, INC. AGREEMENT CNR01459 (**“New Master E&I Agreement”**)

To Whom it May Concern:

As you may be aware, the Current Master E&I Agreement between VWR International, LLC (‘VWR’) and Educational and Institutional Cooperative Services, Inc. (‘E&I’) is set to expire on December 31, 2020 (‘Expiration Date’). Accordingly, your program enrollment in the Current Master E&I Agreement also expires. The purpose of this letter is to formally inform you that VWR’s ability to continue to maintain similar product and service offerings beyond the expiration of Current Master E&I Agreement is contingent upon your enrollment in the New Master E&I Agreement between VWR and E&I through a Letter of Participation.

Please indicate your desire to enroll in the New Master E&I Agreement by selecting one option below, and have an authorized Customer representative sign and return a copy to [lynleah.smart@avantorsciences.com](mailto:lynleah.smart@avantorsciences.com) no later than December 31, 2020:

- Customer **will enroll in the E&I Basic Tier via the link below:**

[www.eandi.org/lop-rfi/vwr-2018-lop/](http://www.eandi.org/lop-rfi/vwr-2018-lop/)

- Customer **would like to** review a Letter of Participation (‘LOP’) for the primary or co-primary tier to enroll in the New Master E&I Agreement. Customer acknowledges that if Customer does not execute and provide executed copy of the LOP for the New Master E&I Agreement to VWR prior to the Expiration Date, its Current Master E&I Agreement program enrollment will terminate on December 31, 2020.

- Customer **does not wish** to enroll under the New Master E&I Agreement and accordingly acknowledges that its Current Master E&I Agreement program enrollment will terminate on December 31, 2020.

For the sake of clarity, VWR will accept and fulfill all orders accepted through December 31, 2020 (‘Expiration Date’) in accordance with the terms of the Current Master E&I Agreement. Purchase of products and services beyond the Expiration Date shall, in the absence of an executed Letter of Participation enrolling in the New Master E&I Agreement, be governed by VWR’s standard terms and conditions of sale as published on the VWR website (published at [https://us.vwr.com/cms/about\\_vwr\\_terms\\_conditions\\_product\\_sales](https://us.vwr.com/cms/about_vwr_terms_conditions_product_sales))

A VWR sales representative will reach out to you to provide information regarding enrollment in the New Master E&I Agreement if such option was chosen above and provide any clarifications or answer questions that you may have regarding this matter.

Thank you for your ongoing support of VWR, and we look forward to continuing to serve your scientific needs in 2020 and beyond!

Sincerely,

Cassey Cloninger
