SHERWIN-WILLIAMS®

Dependable for Over 155 Years and Counting

At Sherwin-Williams, we have you covered. Our commitment to excellence spans over 155 years, and our ongoing strategy is focused on your success today, tomorrow and for years to come. From color consistency and product availability to innovation and expertise, we are focused on providing an exceptional experience for you every step of the way as you grow your business. When you partner with Sherwin-Williams, you choose a deeply experienced team that understands your business and the paint industry.

- Predictable and Consistent Service**
We're everywhere you need us with more than 4,600 company-owned stores, 3,600 reps and a deeply experienced team. We are here to assist you in solving the challenges you face every day.
- Highly Educated Paint and Floorcovering Experts**
Our strong reputation attracts the best talent in the industry — allowing us to be a knowledgeable single-source option for all your paint and flooring needs.
- Responsive Supply Chain**
You can count on our world-class supply chain's design, reach, relationships and purchasing power to ensure that the products you need will be available when and where you need them.
- Product and Color Consistency**
Quality is just as important to us as it is to you, so we don't cut corners. We control our own manufacturing, allowing us to rigorously maintain quality and color performance.
- Customer-Centric Innovation**
With annual new product launches in the double digits, Sherwin-Williams is committed to bringing professional painters the newest and most innovative technology and tools.

Contact your nearest Sherwin-Williams store, or to have a representative contact you, call 1-800-524-5979.

Education Facilities

Interior Coatings

- A** **SuperPaint® with Air Purifying Technology Interior Acrylic Latex**
Helps improve indoor air quality by reducing volatile organic compounds (VOCs) and breaking down common interior odors.¹
- B** **Scuff Tuff® Interior Waterbased Enamel**
Durable finish that protects against scuffing, scratching and burnishing, making it the easy choice for high-traffic areas.
- C** **ProMar® 200 HP Zero VOC Interior Latex**
Delivers durability, abrasion resistance and outstanding hide and meets MPI® High Performance and X-Green categories.
- D** **Dry Erase Coating**
Specialty clear gloss coating without yellowing or shadowing. Compatible with numerous surfaces. (Not suitable for heavy-duty protection.)
- E** **ProMar® Interior Latex Ceiling Paint**
Super-flat finish that minimizes imperfections, enhances light reflectivity and creates a fresh, airy feel in any room.

High Performance Coatings

- F** **Pro Industrial™ Acrylic Coating**
An easy-to-apply, quick-dry, durable acrylic that resists stains and flash/early rust.
- G** **Pro Industrial™ Multi-Surface Acrylic**
Self-priming, adheres to marginally prepared surfaces, with high hide, stain resistance and superb gloss/color retention.
- H** **Pro Industrial™ Waterbased Catalyzed Epoxy**
Resistant to abrasion, impact, corrosion, chemicals, stains, scrubbing and blocking. Ideal for public spaces like bathrooms, hallways, fitness areas and locker rooms.
- I** **Pro Industrial™ Pre-Catalyzed Waterbased Epoxy**
Delivers advanced toughness, durability and stain resistance in a single-coat formula, with less than 50 g/L VOC.
- J** **Pro Industrial™ Waterbased Alkyd Urethane Enamel**
Combines the flexibility and durability of a urethane, the smooth finish of an enamel and the ease of application of a waterbased coating.
- K** **Pro Industrial™ Waterborne Acrylic Dryfall**
Easily applied by airless spray, overspray dries quickly for easy cleanup. Formulated for flash rust resistance, in a bright white to enhance light reflectance.

Exterior Coatings

- L** **Duration® Exterior Acrylic Coating**
Featuring PermaLast® Technology with acrylic co-polymers for maximum durability. Self-priming and mildew resistant.²
- M** **Latitude® with ClimateFlex Technology®**
Combines high-quality performance with best-in-class weather-adaptive technology for results that are ideal, even when the weather isn't.
- N** **Loxon® Exterior Concrete and Masonry Systems**
Protect against the elements with a full line of solutions including masonry conditioner, block surfacer, acrylic primer, high build coatings, self-cleaning acrylic technology and water repellents.

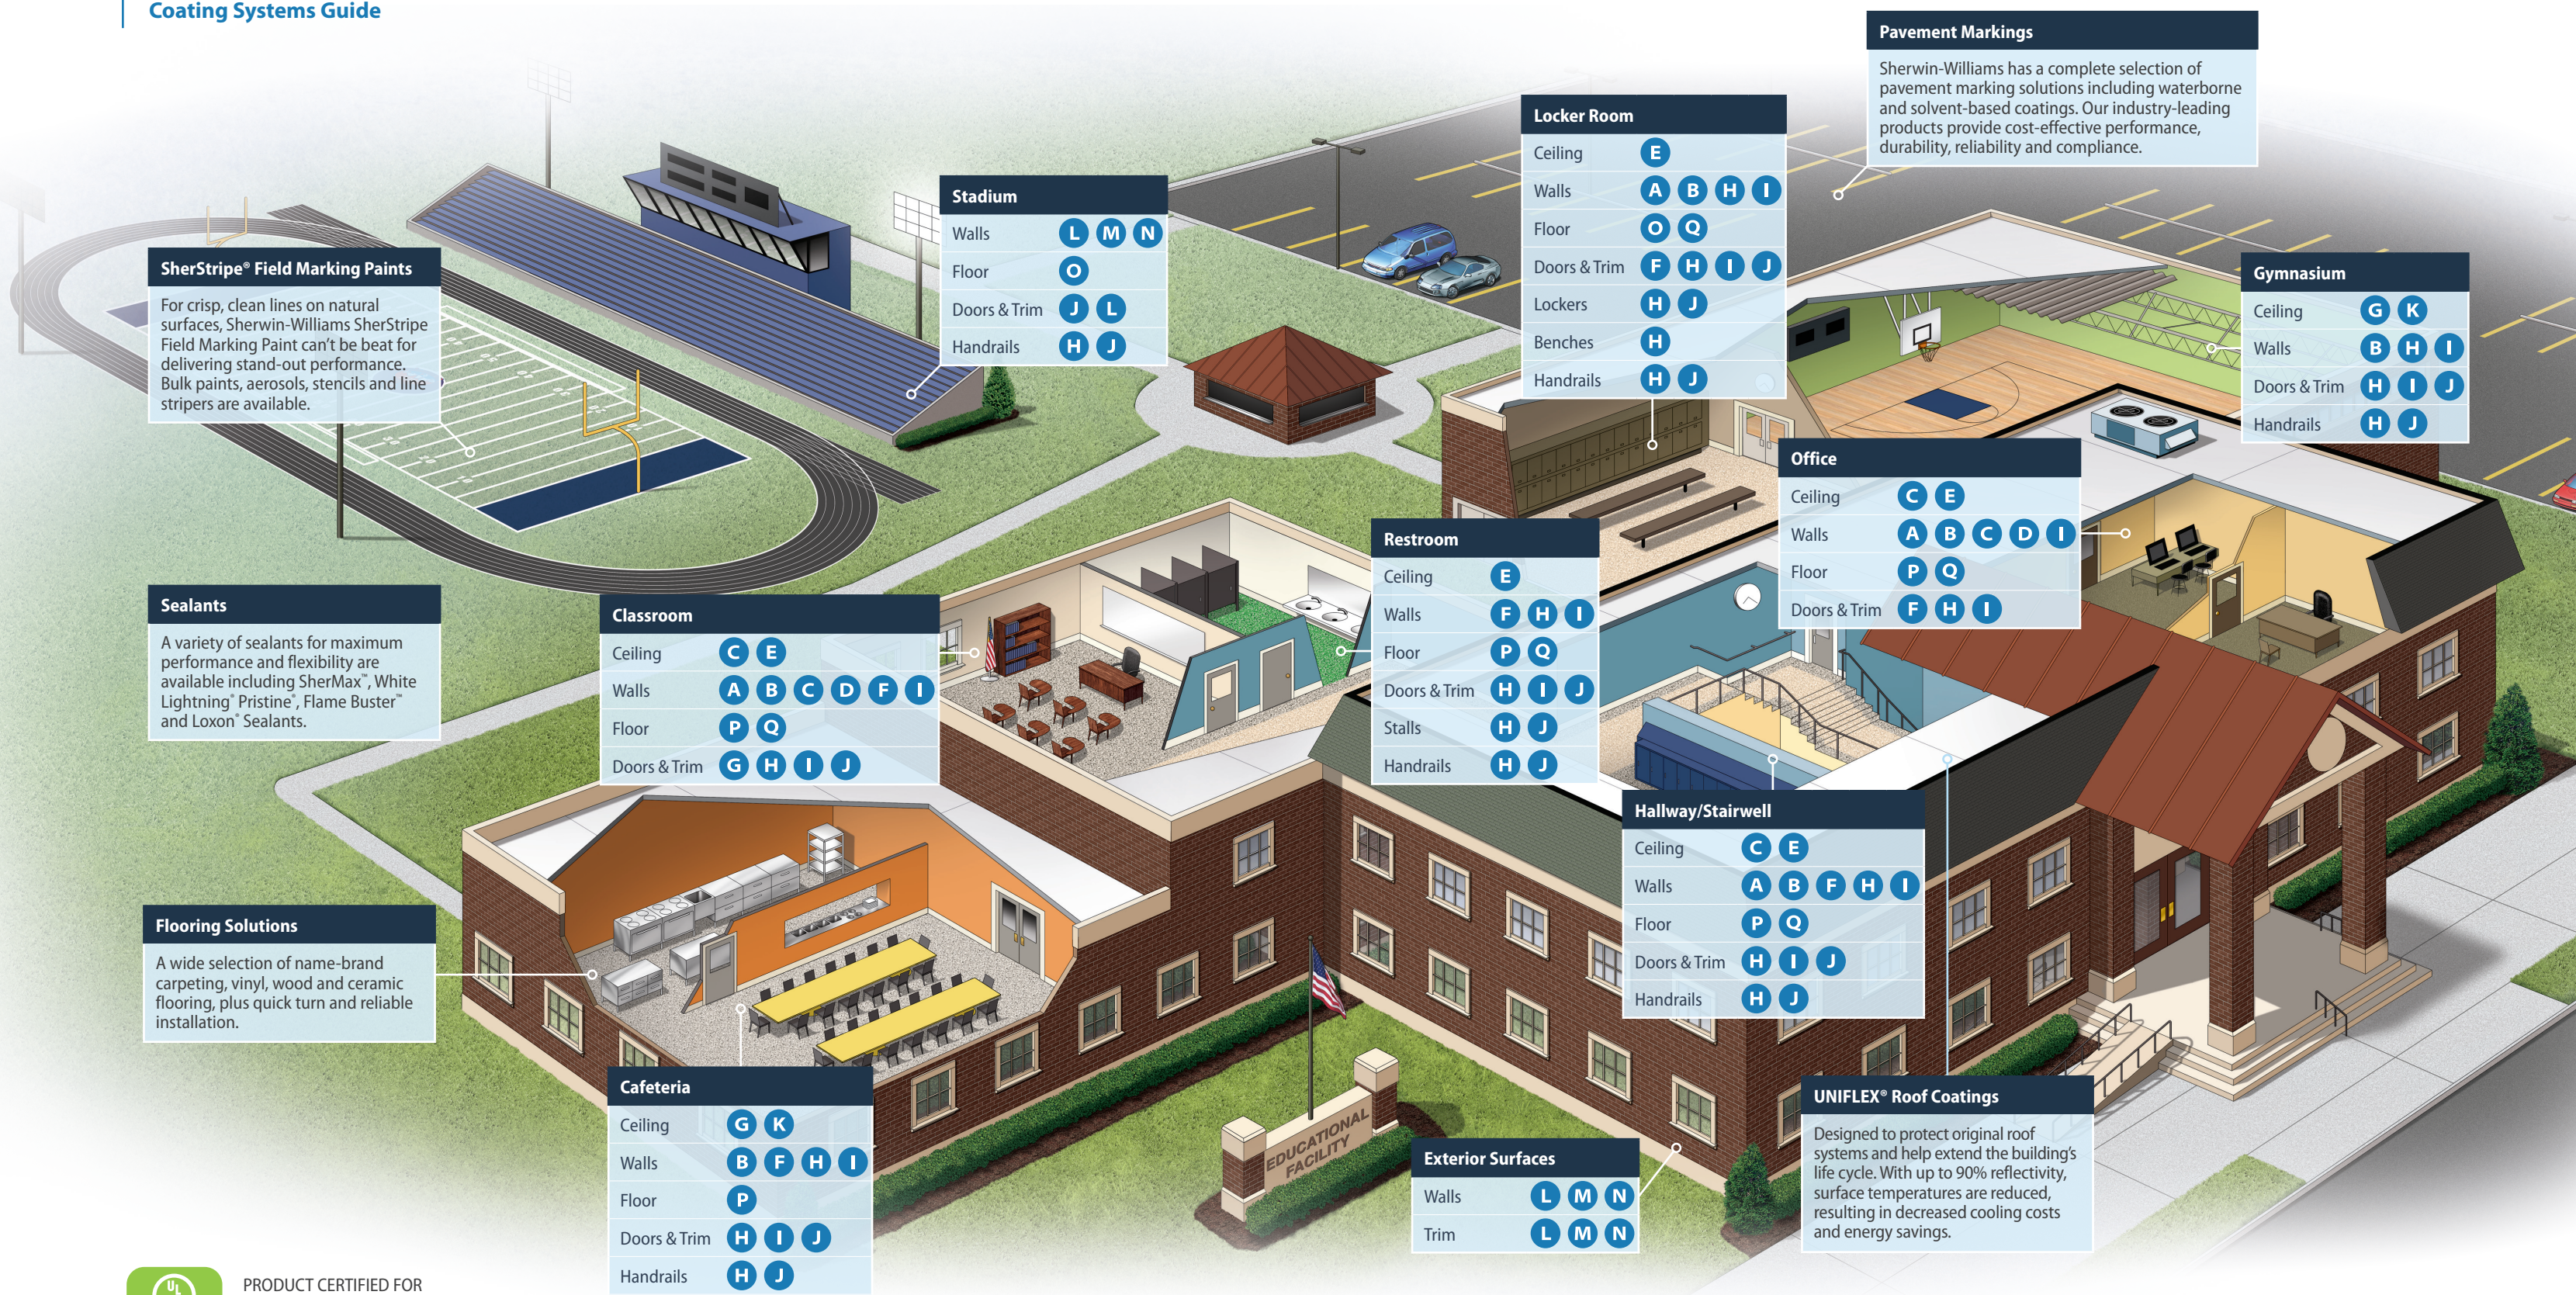

Floor Coatings

- O** **ArmorSeal® Floor Coatings**
Diverse epoxy, urethane, primer and patch solutions for all traffic levels, offering both appeal and performance.
- P** **Resufloor™ Terrazzo TG46**
The design of the floor can mix and match several terrazzo matrix colors and aggregate selections to complete this unique flooring surface, customized for each installation.
- Q** **Poly-Crete® Flooring Systems**
Rapidly cures, resists chemicals and tolerates moisture. Combines water-based urethane resins, cement and special aggregates for tough environments like commercial and school kitchens.

Coating Systems Guide

Use this guide to discover the right products for you. Simply reference the corresponding letters on the diagram to match the ideal products for each area of your facility.

¹The length of time that odor and formaldehyde are actively reduced depends on the concentration, frequency of exposure and amount of painted surface area.
²Contains agents that inhibit the growth of mildew on the coating film surface.
