EqualLevel, Sponsored by E&I

is a cutting-edge eProcurement platform that empowers organizations to effortlessly deploy a cloud-based, multi-vendor marketplace that ensures compliance and is accessible to users from anywhere, at any time. With a focus on transparency, efficiency, and spend control, the platform enables institutions to provide universal access to a pre-approved, fully digital supplier network, maximizing procurement effectiveness.

Connected to E&I's supplier portfolio

A private **EqualLevel, Sponsored by E&I** marketplace seamlessly connects institutions with E&I's extensive portfolio of supplier contracts in a pre-loaded, secure environment.

Unlimited non-E&I contracts

In addition to E&I contracts, agencies can also enable an unlimited number of their non-E&I contracts into their private marketplace.

Real-time search

This feature enables shopping across punchout sites, accelerating comparison shopping and eliminating the need to visit each supplier's site individually.

EqualLevel Savings Advisor (ELSA)

ELSA, the in-cart savings advisor, helps you save money by identifying lower-cost exact or substitute items before you check out, maximizing your cost savings.

Supporting diversity initiatives

To ensure a level playing field for all suppliers, small and regional vendors without a punchout site receive a no-charge GO catalog store.
