Everything You Need to Plan, Build, and Share Your Budget

A solution that simplifies the full budget cycle—from strategic planning to transparent reporting. With intuitive, easy-to-use tools, you'll uncover insights that otherwise might have been lost in spreadsheets.

Purpose-Built for Public Good

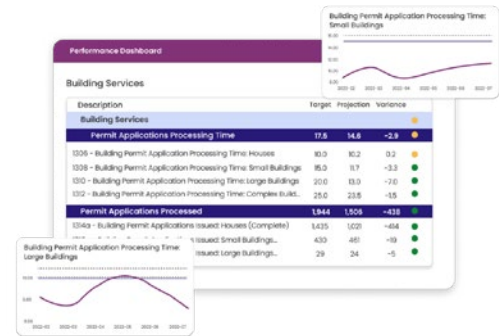

A flexible, configurable solution that adapts to your needs, whether you're setting strategy, building a budget or sharing it with your community.

PLAN

Turn strategy into action

Connect your budget to your goals with planning tools that help set clear objectives and track progress.

- Strategic Budgeting
- Performance-based Budgeting

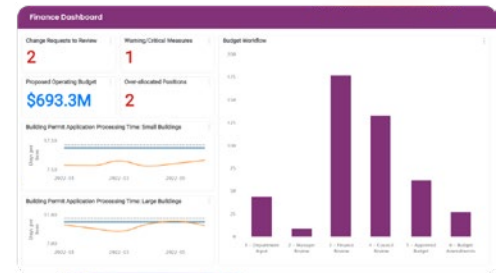

BUILD

Create accurate, flexible budgets

Simplify budget creation with collaborative workflows, accurate forecasting, and intuitive tools for any funding type.

- Personnel Budgeting
- Operating Budgeting
- Capital Budgeting

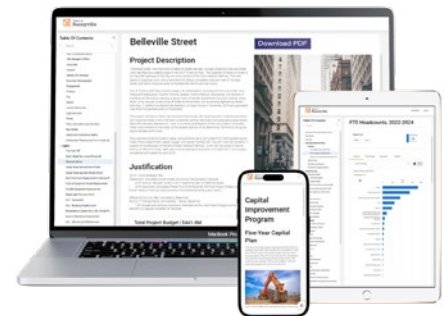

SHARE

Increase transparency & build trust

Use dynamic publishing and visuals to share your budget, from internal reports to digital budget books and ACFRs.

- OpenBook
- Budget Book Studio

"Staff used to spend so much time working on spreadsheets instead of analyzing the budget. Now, with Euna Budget, we can gather the information we need in minutes."

Marc Traasdahl

Director of Finance Regional
Transportation Commission of
Southern Nevada

Stronger Communities Start with Smarter Budgets
