## YOUR SAVINGS SOLUTIONS

E&I is the only member-owned, non-profit purchasing cooperative solely focused on serving the unique needs of education. We help our member reduce costs and optimize supply chain efficiencies through a diverse portfolio of competitively solicited contracts.

We act as an extension of your procurement department, helping you save time and money by handling the entire contracting process – that means everything from research and RFP development to contract management. Our member-driven competitive solicitation process has been validated by the National Institute of Governmental Purchasing (NIGP) as complying with generally accepted procurement standards.

Member involvement is the core of our success! Volunteer to serve on our [Facilities Committee](#) and help to grow this portfolio. Visit [www.eandi.org/committees](http://www.eandi.org/committees) for more information.
