

# BEYOND IMAGINATION IN LABORATORY SOLUTIONS

## Distribution + Supply Chain

Our company boasts exceptional logistical capabilities, seamlessly orchestrating complex supply chains to deliver products with precision, speed, and reliability to our valued customers.

## Chemical, Stains + Reagents

We provide quality chemical formulations that allow you to focus on what you do best: healthcare, research, and discovery. We manufacture custom chemicals and specialty products for labs and businesses.

## Kitting + Packaging

Our custom kits combine high-quality products, secure packaging, clear instructions, and compliant labeling. Our solutions allow you to focus on your lab findings, research, and patient outcomes.

## Equipment Services

Cenmed's equipment management system is a one-stop shop, providing a full range of services, including on-site or off-site repairs. Cenmed's solution gives the flexibility to ensure your operations succeed.

## Experience the Cenmed Difference

At Cenmed, we stand out from the crowd by prioritizing the establishment of robust relationships with our customers. Our vision is to enable the advancement of healthcare. Founded in 1992, Cenmed has grown to become a leading provider of laboratory equipment, supplies, and services to colleges and universities, hospitals, research institutions, and other healthcare organizations around the world.
