

THE ORIGINAL COATED FOAM BALL

No stings. No tears.
Just pure play.

- **Proprietary foam coating** reduces sting – play harder, safer.
- **Lightweight yet durable** construction that resists tearing.
- **Wide variety:** sizes, colors, sports-specific shapes (dodge, soccer, football).
- **Tear- and puncture-resistant** design withstands rough handling.
- **Ideal for PE, camps, and recreation** – perfect for diverse play needs.

From gym to playground —
we make it easier. **Contact us today!**
