GLOBAL + OFFICES TO GO

express
Think Global. Think Green.

The Environment  — We believe now more than ever, that it is our responsibility to protect the environment and our precious natural resources for future generations. The growing importance of energy and environmental concerns continues to challenge us in this ever changing marketplace.

As an industry leader, Global continues to take proactive steps towards reducing the negative impacts on the environment. We are building “healthier” offices; investing in Research & Development and new technologies, reducing waste and the consumption of energy; and improving the quality of the air we breathe, all which can have a significant impact on our quality of life.

Global’s recycled fabrics offer affordable, environmentally responsible alternatives to commercial textiles. We recycle 35,000 lbs. of fabric off cuts.

New technology allows us to reduce glue usage by 50%. In addition, our water-based glue reduces emissions and requires less energy to apply.

Greenguard Certification

The GREENGUARD mark means that a product has been tested using stringent environmental chamber methods and found to meet GREENGUARD’s Indoor Air Quality Standards. GREENGUARD Certified Products are low-emitting and contribute minimal levels of pollutants to indoor environment.

Level Certification

level™ certification, based on the ANSI/BIFMA e3-2002 furniture sustainability standard, sets furniture manufacturers on a path toward greater sustainability over time. Based on environmental and social criteria set forth in the standard, a product’s entire supply chain is assessed.

What’s covered under the Global Lifetime Warranty?

Global’s Lifetime Warranty covers manufacturer defects for seating, desks, tables, panels, metal storage and filing—everything you would need in a contract work environment covered for the life of the product.

NO WORRIES on plastic components, casters, glides, pneumatic cylinders, arm structures, arm caps and bases

NO WORRIES on drawer slides, trays, locks, keys, metal lags and grommets.

NO WORRIES on panel frames, edges and work surfaces.

For complete details, visit www.globalfurnituregroup.com.

What’s covered under the Offices to Go 5 Year Warranty?

Offices To Go® warrants its products to be free from defects in material and workmanship subject to the limitations below.

Under this warranty, claims must be made within the following periods from the original date of purchase: (a) non-moving parts are warranted for five years; (b) drawers, slides, leveling glides, locks, and other moving parts are warranted for two years; (c) gas cylinders, mechanisms, and other moving parts are warranted for two years; (d) upholstery materials and foam are warranted for two years.

Desk tops are warranted on an eight hour, single shift work day; Seating warranty is based on an eight hour, single shift work day for users weighing up to 250 pounds.

NOTE: Select light duty stacking chairs, OTG109, and other moving parts are warranted for two years; (d) upholstery materials and foam are warranted for two years.

Desk tops are warranted on an eight hour, single shift work day; Seating warranty is based on an eight hour, single shift work day for users weighing up to 250 pounds.

Height adjustable bases, electric motors, controllers and moving parts are warranted for 2 years. Offices To Go® task lights, desk lamps, grommet/table power accessories and monitor arms are warranted for 1 year. Warranty is based on an eight-hour, single-shift work day. Height adjustable table bases and components is a maximum lifting capacity of 220 lbs.

For complete details, visit www.OfficesToGo.com.

 synopsis  

- All product series have MAXIMUM order quantities which can be fulfilled within the 2 Day Lighting program. These are noted near each series. For greater quantities, please contact Customer Care for lead times and terms.
- Orders must be clear and complete at the time of order acknowledgment.
- All eligible models are Unflamable. Global reserves the right to change "freeze" dates.
- Standard model options include aluminum bases, painted frame finishes, ballistic nylon backs, glide options and hard surface casters. Memory Foam as a standard option is not available (standard lead times apply).
- Orders must be in good standing and within terms for order to be processed without delay.
- Finished products will ship from our factories in as little as two business days.
- Program available in the 48 contiguous United States.
- Orders to ship outside Global’s distribution model; order shipment address can be to the dealer or end-user directly.
- Standard model options listed under Optional Features section in the price list are available. Standard model options include aluminum bases, painted frame finishes, ballistic nylon backs, glide options and hard surface casters. Memory Foam as a standard option is not available (standard lead times apply).

Intelli Beam™ with Foli Height Adjustable Tables

Intelli Beam brings forward a new era of open plan environments.

The basefeed powers 4-circuits in a 2+2 electrical configuration (2 utility circuits and 2 dedicated circuits). This must be specified with an IBBSU2460S – this will then power the starter kit and any add-on kit connected to it. The basefeed must be hardwired to the building power supply by a licensed electrician.

24 x 60 Starter Beam Kit
The starter kit includes everything you need to create a 2-person workstation (acts as a freestanding piece), or to start a run of more workstations. Just specify duplexes and a basefeed separately to get up and running.

24 x 60 Add-On Beam Kit
Add-on kits include all the pieces required to expand upon the starter kit. Add one additional add-on kit for a 4-pack, two add-on kits for a 6-pack or three for an 8-pack. Add-on kits must be used with one starter kit. Specify duplexes separately.

INstock components

IBBSU2460S 24 x 60 Starter Beam Kit Includes Intelli Beam raceway, vertical base feed cover, power distribution housing, 17” electrical jumper cable and 1/2”-20 end of run nuts. List Price $1082

IBBAT2460S 24 x 60 Add-On Beam Kit Includes Intelli Beam raceway, power distribution housing and 17” electrical jumper cable. List Price $757

IBSFE1860S 18 x 60 Starter Extension Kit Fabric starter extension kit attaches on top of a starter beam kit of the same width. Must be used in conjunction with starter beam kit. List Price $564

IBAFE1860S 18 x 60 Add-On Extension Kit Fabric add-on extension kit attaches on top of an add-on beam kit of the same width. Must be used in conjunction with add-on beam kits. List Price $443

IBERDKTA A pack of four duplexes (two Circuit 1 duplexes and two Circuit A duplexes). One pack will provide duplexes for one starter beam kit or one add-on beam kit. Duplex snap into the power distribution housing within the Intelli Beam raceway. List Price $128

IBERDKTB A pack of four duplexes (two Circuit 2 duplexes and two Circuit B duplexes). One pack will provide duplexes for one starter beam kit or one add-on beam kit. Duplex snap into the power distribution housing within the Intelli Beam raceway. List Price $128

IBERP30S Base Feed Provides single power entry from floor or wall mounted building power supply. Must be hardwired to the building power supply by a licensed electrician. List Price $420

A Tilt Tension
Lower to raise pressure. Adjustment does not affect body weight. Allows you to sit comfortably without having push/pull mechanism on your back.

Chair Tilt Lock
Allows to lock chair in position. To accommodate your body weight, please adjust Tilt Tension handle.

Boot Height
Rounded lower surface of seat and back to allow your feet to rest flat on the floor. Keeps your torso in correct position during dynamic activity.

Back Height
Round lower surface of seat and back to allow your feet to rest flat on the floor. Helps maintain correct body weight.

Boot Depth
Round lower surface of seat and back to allow your feet to rest flat on the floor. Helps maintain correct body weight.

Black Angle
Round lower surface of seat and back to allow your feet to rest flat on the floor. Helps maintain correct body weight.

Arm Height
Round lower surface of seat and back to allow your feet to rest flat on the floor. Helps maintain correct body weight.

**2 DAY SHIP**

- **Offices to Go 2 Day Ship Seating Terms and Conditions**
  - All models have MAXIMUM order quantities which can be fulfilled within the OTG 2 Day Ship program. These are noted below each model. For greater quantities, please contact CustomerCare for lead times and terms.
  - Orders must clearly state “2 Day Ship” on the front of the order.
  - Program is not available for fabrics and Luxhide shown on pages 204-205.
  - Order cannot be changed or canceled after order acknowledgment.
  - All eligible models are UPSable; Offices to Go reserves the right to ship “best way.”
  - Orders must be clean with correct model numbers, options, textiles, correct pricing, etc. to apply.
  - Order must be in good standing and within terms for order to be processed without delay.
  - Program available in the 48 contiguous United States.
  - Order shipment address can be to the dealer or end-user directly.

---

**Total Price $570**

Superior Laminate Workspace Solutions

- Five contemporary finishes include Autumn Walnut (AWL), American Mahogany (AML), American Dark Cherry (ADC), American Espresso (AEL), and Artisan Grey (AGL). All are accented with 3mm matching impact resistant edges.
- Box and file drawers feature full extension ball bearing drawer slides.
- Lateral files and file/file pedestals come equipped with a mechanical safety interlock.
- Autumn Walnut (AWL), American Espresso (AEL), and Artisan Grey (AGL) are standard with silver handles. Black handles optional (an upcharge applies - see page 192 for more information).
- American Mahogany (AML) and American Dark Cherry (ADC) are standard with black handles. Silver handles optional (an upcharge applies - see page 192 for more information).

Features

- Black grommets are standard on desks, returns, bridges, credenzas, extended corners, and hutches.
- Silver grommets are optional (an upcharge applies - see page 191 for SLGRSIL).
- Top quality full extension ball bearing slides on all box and file drawers.
- Black handles standard on AML and ADC. Silver handles optional (an upcharge applies - see page 190 for SLHDSIL).
- Silver handles standard on AWL, AEL, and AGL. Black handles optional (an upcharge applies - see page 190 for SLHDBLK).
- Pedestals, lateral files, and multi-storage files are designed to connect to the appropriate desk, credenza, return, or return shell.
- Metal pins and cam fasteners are designed for easy assembly (where applicable). Metal brackets (where applicable) are also included for additional strength and rigidity.

Available immediately in the following finishes:

- AWL Autumn Walnut
- AML American Mahogany
- ADC American Dark Cherry
- AEL American Espresso
- AGL Artisan Grey

Black grommets are standard on desks, returns, bridges, credenzas, extended corners, and hutches. Silver grommets are optional (an upcharge applies - see page 191 for SLGRSIL). Top quality full extension ball bearing slides on all box and file drawers. Black handles standard on AML and ADC. Silver handles optional (an upcharge applies - see page 190 for SLHDSIL). Silver handles standard on AWL, AEL, and AGL. Black handles optional (an upcharge applies - see page 190 for SLHDBLK).
