Global is pleased to introduce the new Luum Collection, offering 7 patterns starting at a grade 5.

Features:

- All patterns are suitable for use on workplace furnishings.
- All patterns offer an acrylic backing and several offer stain repellent treatment (Digi Tweed, Flexagon, Magnify, Percept, and Subdivide).
- Care and Cleaning: For light soiling, use a damp cloth and blot the spot with very slight pressure, taking care never to soak the material. Dry with a clean cloth by blotting - never rub the material. More intense stains can be treated the same way, using a mild detergent. Always test material first in an unseen area before using any cleaning method.
- For more information, please refer to the “textile” section on the Global Furniture Group website: globalfurnituregroup.com.
