Online Government Surplus Auctions

## Liquidate Your Surplus Assets and Maximize Your ROI with GovDeals

*GovDeals specializes in obtaining the highest possible auction sales prices for all types of assets, including transit/school buses, cars and trucks, heavy equipment, laboratory equipment, technology and furnishings, etc.*

GovDeals is an online auction resource exclusively for government and educational agencies.

Through a self-service auction platform, you can easily and effectively auction your surplus, confiscated and abandoned assets to a large domestic and international marketplace. With 560,000 registered and verified bidders and over 350,000 unique site visitors every month, GovDeals provides maximum exposure and competition for your auctioned assets, helping you generate consistently high return on investments.

As an added benefit, GovDeals will promote your individual assets through customized marketing plans including advertising, press releases, direct mailings, email marketing, and more, with no additional fee.

You can use GovDeals as often as you need, with no sign up cost, no membership fee, and no listing fee. The only cost incurred is when the asset sells.

### Contract Highlights:

- Large audience with high web traffic - 560,000 registered bidders and over 350,000 unique site visitors each month
- Extensive advertising/marketing of your assets at no additional cost
- Regionally-based staff to provide onsite training, service, and assistance
- Real-time reporting tools with secure account, providing automatic complete audit trail for each auctioned asset
- Lowest auction default rate in the industry
- PCI-Compliant money collection service
- Internal auction functionality (Reallocation Tiers) that can be used to encourage internal reuse of assets
