INSPIRE

Create spaces that welcome and engender engagement. Warmth and personality blend in ways that promote learning, the creation and sharing of ideas. Gunlocke furniture helps make it happen.

CHOOSE GUNLOCKE

For over 100 years, Gunlocke has designed and crafted furniture that delights the senses and delivers on performance. For today's academic and higher education institutions, our product portfolio includes all the elements to configure flexible, knowledge-enhancing places that reflect the culture and tradition of your institution. For the furniture that supports your mission, your students, and your staff, choose Gunlocke.

CONVERGE

The spaces throughout your buildings bring together faculty and students, departments and disciplines. They connect with each other and with the tools that support their work. Gunlocke furniture enables you to configure a variety of settings for the diverse people and activities that come together on your campus.

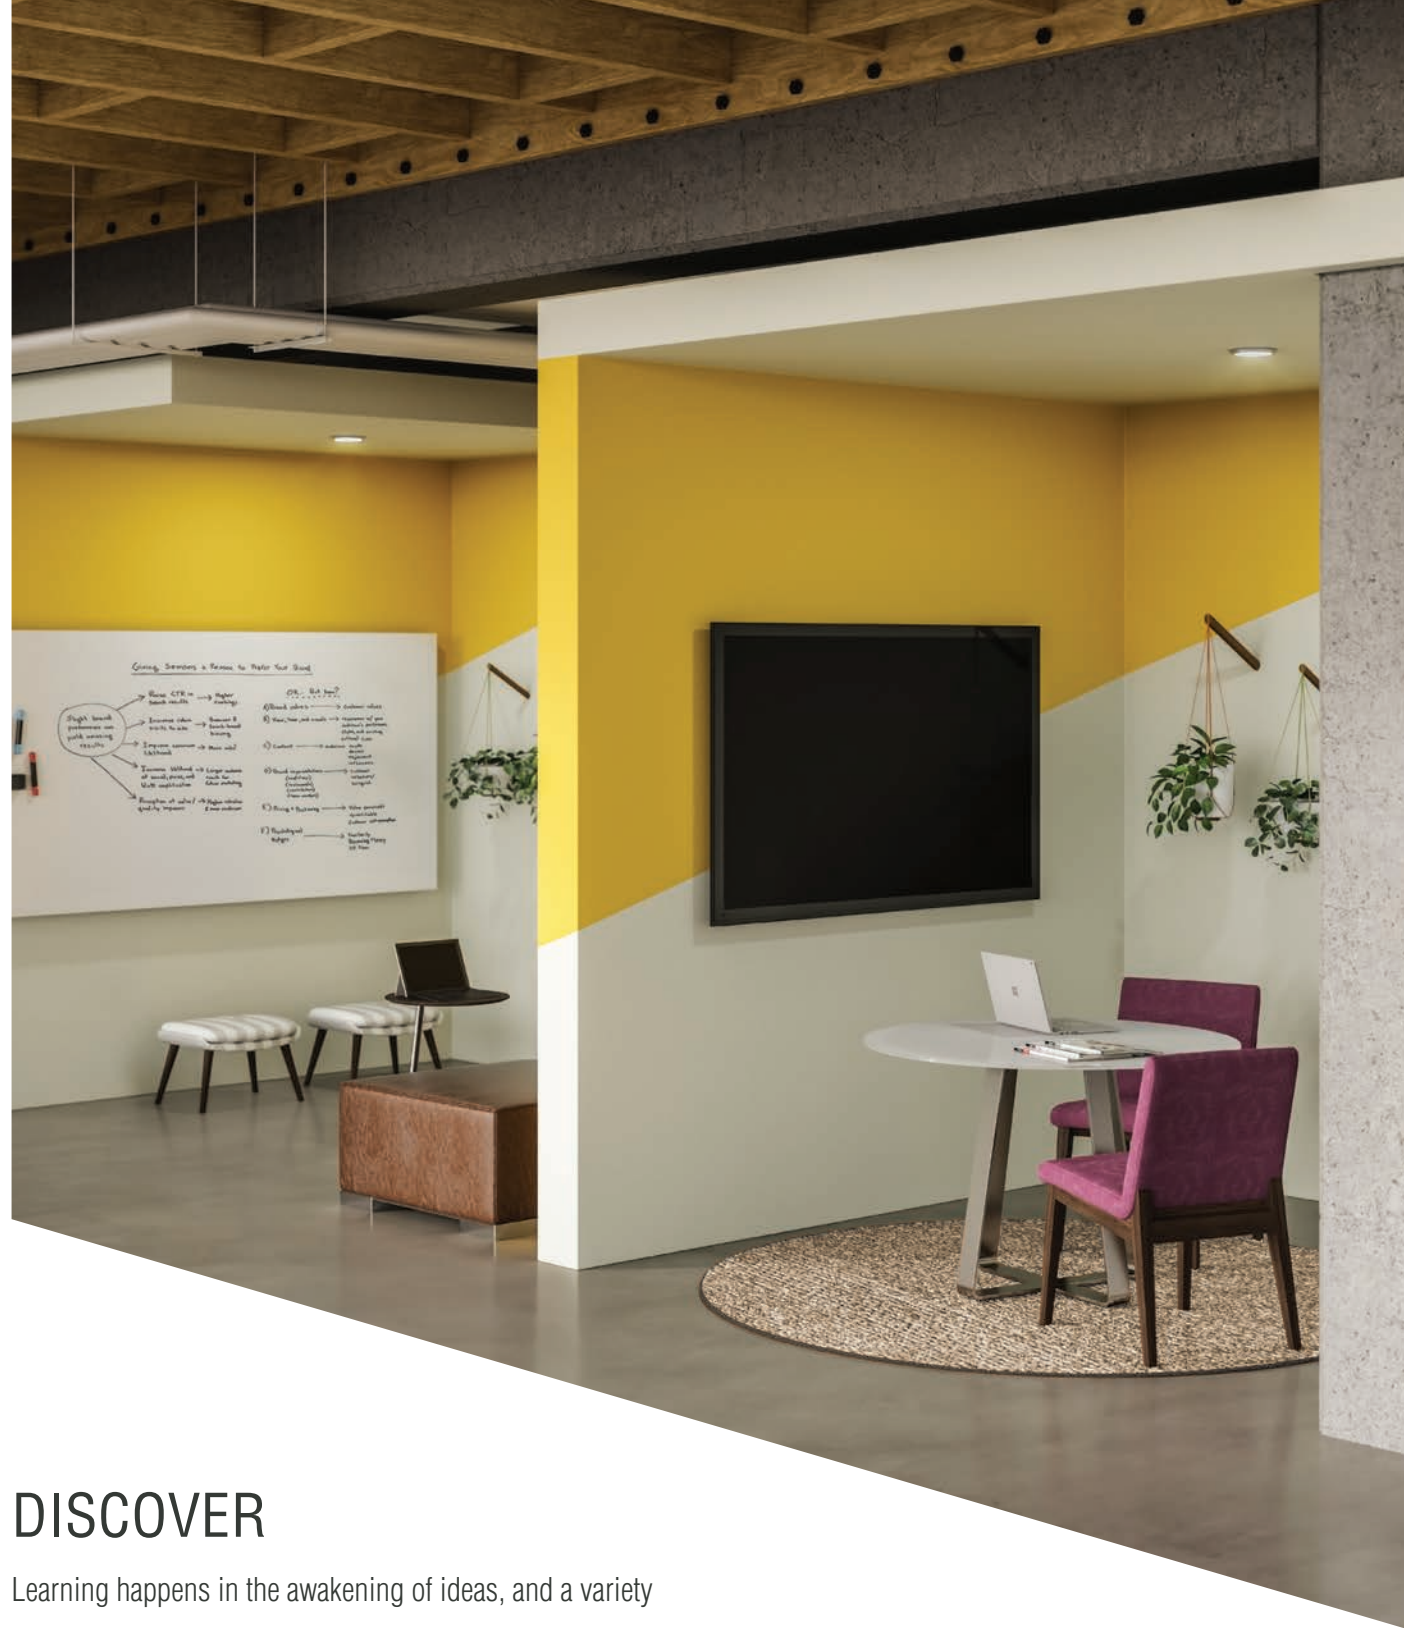

ENGAGE

The research is conclusive.
Combining comfort and
performance helps create engagement.

To support project-based and
collaborative learning, your furniture
must deliver both warmth and style
as well as features and flexibility.
Gunlocke furniture performs.

DISCOVER

Learning happens in the awakening of ideas, and a variety of settings support a variety of learning styles. Gunlocke furniture has the dexterity to create applications that align with the variety of your adaptive places.

INTEGRATE

Faculty and staff need a palette of places, a blend of privacy for concentrated work and private conversations, as well as common areas for collaborating with colleagues and students. Gunlocke furniture elegantly integrates that range.
