

Centralize & Control Your Institution's Expenses

HPC International offers a solution to centralize and control costs for educational resources, professional development, and conferences. This negotiated agreement also includes research and library support services.

HPC International helps organizations drive innovation through technology, achieve savings on professional education, and produce evidence-based research for academic and healthcare institutions. E&I members benefit from better management and control of typically decentralized purchases and expenses related to educational professional development, including subscriptions, conferences, and continuing education.

Contract Highlights:

- Cost savings and expense management
- Negotiated pricing and terms for memberships, subscriptions, conferences, and seminars
- Managed administrative work for price negotiations, spend audits, vendor payments, renewals, and group conference registrations
- Customized third-party research services
- Library management services, including a virtual library portal
- Certified Diverse Supplier: Nationally certified by the Chicago Minority Supplier Development Council, a regional affiliate of the National Minority Supplier Development Council. A Minority Business Enterprise (MBE), expiration date 2/28/23.
- Certified as a Historically Underutilized Business (HUB), with the State of TX, expiration date 4/13/24
- NAICS CODES: 511130: 511199
