Recognized for its excellent customer service and highly competitive prices, Henry Schein serves over one million customers worldwide. The company operates through a centralized and automated distribution network, which provides customers in more than 200 countries with a comprehensive selection of more than 90,000 in-stock national and private-brand products, as well as more than 100,000 additional items available as special-order.

As part of this competitively solicited contract, E&I members in K-12 can choose from more than 1,000 core items of general athletic training supplies. Catalog discounts of up to 18% are available on products included in the Henry Schein Sports Medicine Catalog. Certain items, including prescription items and office supplies, are excluded.

For more information, contact your E&I Member Relations Executive or visit www.eandi.org and look for Henry Schein in the K-12 Contracts section.
