IM Supply provides a broad scope of electrical and related products from the industry’s leading manufacturers. Key categories include lighting products and controls, wire and cables, distribution equipment and switchgear, wiring devices, conduit, safety products, and more.

Supported by a distribution network of more than 1,000 stocking locations nationwide, members receive dedicated attention and expertise from a local distributor that is connected to and embedded in the communities they serve. Stocking locations often provide same-day deliveries, so members can get products when they need them most.

Contract Highlights:

- Market basket price lists
- Aggressive category discounts
- Tiered rebate structure
- Detailed implementation launch plan

IM Supply distributors can help you find solutions for a wide range of electrical needs, including:

- Power and recharge electric vehicles campus-wide
- Provide outdoor power sources that are aesthetically pleasing and convenient
- Replace your parking lot lighting
- Provide reliable and redundant power to your important and energy-intensive facilities
- Enhance safety with smoke and carbon monoxide detectors with 10-year batteries
