TRANSFORM AND IMPROVE COMPLIANCE

The Iron Mountain Clean Start program can also help your school district reduce compliance risk by evaluating current processes and providing guidance on how to standardize policies.

HOW CLEAN START WORKS

Iron Mountain conducts an **assessment** to identify opportunities for improvement.

You'll receive a **summary of proposed improvements**.

Together we create a **best practice plan to clear up space and transform**.

You pick the improvements you need based on your budget and priorities, and we manage the process from there. It's that simple!
