

**Interface**®

## Flooring to Create High-Performance Interior Spaces

---

Interface is a global flooring company specializing in carpet tile and resilient flooring, including luxury vinyl tile (LVT) and nora® rubber flooring. The competitively solicited E&I Interface contract helps members create high-performance interior spaces that support well-being, productivity, and creativity, as well as the sustainability of the planet.

Through their **Carbon Neutral Floors™** program, all Interface carpet, LVT, and rubber is carbon neutral across the entire product lifecycle. Pair that with their **ReEntry®** flooring recycling program, and Interface has your new flooring and old flooring covered.

### Contract Highlights:

- Access the entire line of Interface carpet tiles and modular resilient flooring
- All products are sold and serviced by authorized dealers or purchased directly from manufacturer
- Dedicated attention from your Interface representative
