## YOUR SAVINGS SOLUTIONS

E&I is the only member-owned, non-profit purchasing cooperative exclusively focused on serving the unique needs of education. We help our members reduce costs and optimize supply chain efficiencies through a diverse portfolio of competitively solicited contracts.

We act as an extension of your procurement department, helping you save time and money by handling the entire contracting process -- that means everything from research and RFP development to contract management. This process has been validated as complying with generally accepted procurement standards by the National Institute of Governmental Purchasing (NIGP).
