

Have a Seat! High Quality Public Seating Products from Irwin Seating Company

Irwin Seating Company offers the broadest public seating product line in the industry, as well as the most extensive and experienced distribution network.

With E&'s competitively solicited Irwin Seating contract, you have access to one of the world's premier manufacturers of public seating solutions. The Irwin seating collection represents a full range of custom seating for auditoriums, arenas, performing arts centers, convention centers and movie theatres. Irwin also manufactures stadium seating, lecture room furniture, bleachers and telescopic platforms.

Quality, Durability & Comfort

Irwin Seating maintains the highest level of quality in its production practices. All products are tailored to meet your unique specifications.

What's Old is New Again

Irwin Seating can refurbish old, worn seating to be reused in venues – the ultimate in recycling! The company's restoration department will strip and repaint standards, refinish and reupholster seats and backs and restore decorative end panels to return old chairs to their original beauty.

The E& Irwin Seating contract provides members with unlimited assistance with product selection, samples, configurations, seating layouts and special engineering, all at no additional cost. A site survey is required for all projects, and will be provided by Irwin Seating, also at no additional cost to you.
