

Choose **S&S**[®] for your Custom Kitting Solutions.

Full-Service Solutions

- From sourcing to assembly, we handle everything so you can focus on engaging your students and campers.
- Simplify your work flow—eliminate the hassle of managing multiple orders and organizing supplies.

Seamless, Ready-to-Use Packages

- Kits are pre-assembled, labeled, and ready for immediate use.
- Save time by skipping prep work and focusing on delivering exceptional experiences.

Tailored Kits for Any Purpose

- Designed to align with curriculums, camps, after-school programs, and special funding streams (e.g., Title 1).
- Customized for specific schools, age groups, class sizes, or themes.
- Perfect for themed events, family engagement, and take-home bags.

End-to-End Expertise

- Over 50 years of kitting experience.
- Complete handling of receiving, packaging, and shipping.
- Ability to ship to multiple locations for added convenience.

Custom Kit Examples

- Themes: Jungle, Superhero, Holiday, Seasonal.
- School Supplies: Back-to-school essentials or grade-specific kits.
- Subject-Based Kits: Reading, Math, STEM.
- Family Engagement Resources: Take-home bags for parents and students.
- Age-Specific Kits: Tailored activities for different developmental levels

Our Process

- Source: Select the perfect materials for your needs
- Build: Assemble and package kits efficiently and accurately.
- Deliver: Ship to single or multiple locations, ensuring your program runs smoothly.

We source, order and assemble — so you don't have to.
