

Incredible Discounts Available with E&'s Competitively Solicited Lowe's Contract

That's right...the same Lowe's that is around the corner from your home provides high quality building products to solve your institution's growing needs!

The contract features a variety of purchasing options, including Lowe's "walk-in" solution - a fast and convenient way to utilize the contract and instantly realize cost savings on building supplies and related products. You can also save significantly when ordering online.

Agreement Highlights:

- Delivery from over 1,000 stocking locations
- Contract Savings Card for in-store discounts, now 7%
- Quote Support Program for deeper discounts on larger order
- Online Ordering with in-store pickup options
- Convenient and extended business hours
- Free local next day delivery for in-stock major appliances (within 75 mile radius)
- JAGGAER punch-out capability

To get started, submit this simple [Letter of Participation Form](#) or [check this out](#) for more program details.

For additional information, please contact your [Member Relations Representative](#) or David Manz, *Business Development Manager, Facilities*, at dmanz@eandi.org.

E&I Contract #CNR01375

Lowe's has a competitively solicited cooperative contract available through Educational & Institutional Cooperative Services (E&I). Through our E&I agreement, K-12 school districts and higher education purchasing professionals across all 50 states receive contract savings at time of purchase with no cost to members.

Registration Instructions:
