CLEAN SLATE.
FRESH START.

Reopening Strategies and Supplies for Schools and Universities
You've come this far — after campus shutdowns that challenged your staff and students to adapt like never before. And when it's time to reopen, you'll need a supply partner and a quick reference guide to help you learn new ways to clean and prepare your campus for classes, mealtimes and more. Here's how to gear up.

This guide includes general information from the Centers for Disease Control (CDC) and the Environmental Protection Agency (EPA), along with ideas to help support local school reopening strategies. This information, as of July 2020, does not constitute medical or legal advice, nor does it serve as an endorsement of any service or product referenced herein. Schools should consider applicable laws and mandates, school policies, COVID-19 safety and community considerations in planning actions and shaping processes.

SOURCES:

REOPEN WITH CONFIDENCE.
School strategies for reopening vary not only from state to state, but also from district to district and even campus to campus. As healthcare professionals and scientists learn more about the novel coronavirus, federal guidance for schools and universities will likely evolve as well. Yet in any case, the following recommendations from the Centers for Disease Control and Prevention (CDC) and the Environmental Protection Agency (EPA) provide a sound starting point to help you reopen your school with confidence.

**CLEAN AND DISINFECT SURFACES**

Cleaning with soap and water reduces the amount of germs, dirt and impurities on the surface. Disinfecting kills germs on surfaces. Practice routine cleaning and disinfecting, especially on regularly touched surfaces that may require more frequent care. According to the CDC, regular cleaning staff may clean and disinfect community spaces as long as they:

- Wear appropriate protective gear while cleaning or handling trash.
- Are properly trained on appropriate use of cleaning and disinfection chemicals.
- Wash their hands often with soap and water for 20 seconds immediately after removing gloves.
- Carefully remove personal protective equipment (PPE) to avoid contamination of themselves and the surrounding area.

**USE APPROVED PRODUCTS**

When disinfecting, check the EPA registration number on the product and visit epa.gov/listn to make sure it meets the agency’s criteria for use against SARS-CoV-2, the virus that causes COVID-19. Read labels carefully and follow directions for safe, effective product use, including recommended PPE, surface types and contact times.

**PROTECT AND MAINTAIN DISTANCING**

In addition to any PPE that should be worn while cleaning, disinfecting or emptying trash, face coverings are also recommended to help slow the spread of the virus, especially when physical distancing is difficult. When circumstances allow, maintain CDC-recommended social distancing of 6 feet.
NEW SOLUTIONS FOR SHARED SPACES

Every school year brings new challenges — and this year, the stakes are particularly high. Schools are stepping up to the challenge in different ways. From installing physical shields and barriers to rethinking student seating arrangements in the classroom, here are just a few tips from the CDC to help schools explore new solutions.

COMMON AREAS

- If possible, close nonessential common areas, such as playgrounds with shared equipment.
- Otherwise, stagger use and clean high-touch surfaces as recommended between sessions.

DESK STRATEGIES

- If possible, space desks at least 6 feet apart.
- Position desks to face in the same direction, rather than facing each other.
- Have students sit on only one side of shared tables, spaced apart.

COMMON AREAS

- Hand sanitizer/dispensers
- Face protection
- Wipes/disinfectants
- Signage
- Infrared thermometers
- Disposable gloves
- Portable tents for outdoor classes
- Touchless towel dispensers
- Touchless lighting
- Touchless trash cans

CLASSROOMS

- Hand sanitizer/dispensers
- Face protection
- Wipes/disinfectants
- Signage
- Infrared thermometers
- Disposable gloves
- Portable tents for outdoor classes
- Touchless towel dispensers
- Touchless lighting
- Touchless trash cans

PHYSICAL BARRIERS AND GUIDES

- Install physical barriers, such as clear plastic partitions, particularly in space-constrained areas that are not conducive to social distancing.
- Provide physical guides, such as tape on floors or sidewalks and signs on walls, to mark 6 feet of space in lines, or create one-way paths in hallways.

THINGS TO CONSIDER

The CDC recommends teaching and reinforcing frequent handwashing with soap and water for at least 20 seconds. Signage and increased monitoring may help with compliance.
When students and staff take a break, make it easy for them to follow CDC guidance for hand hygiene by installing motion-activated dispensers for soap, towels and hand sanitizer.

**RESTROOMS, LUNCHROOMS & ASSEMBLIES**

The high-touch surfaces found in restrooms, along with the close-contact environments of traditional lunchrooms and assembly halls, present unique challenges as schools prepare to reopen. Retrofitting these spaces with items like antimicrobial partitions, countertop sneeze guards and touchless hand sanitizer dispensers can support physical separation and beneficial hand hygiene as recommended by the CDC.

**THINGS TO CONSIDER**

- Touchless soap dispensers
- Touchless towel dispensers
- Wipes/disinfectants
- Signage
- Aluminum foot pulls
- Touchless flush valves
- Antimicrobial partitions
- Touchless faucets
- Touchless hand dryers
- Hands-free door handles

**LUNCHROOMS & ASSEMBLIES**

- Hand sanitizer/dispensers
- Face protection
- Wipes/disinfectants
- Signage
- Sign stands
- Disposable gloves
- Antimicrobial tables and chairs
- Countertop sneeze guards
- Stanchions
- Floor marking tape

**DID YOU KNOW?**

If disposable utensils and dishes are not an option for your campus, cafeteria staff should wear gloves as recommended by the CDC whenever handling, handwashing or loading these items into a dishwasher.
The COVID-19 Communications Resources page of CDC.gov offers free print and digital resources to post in your lobby, on your website or on school social media accounts.

**DID YOU KNOW?**

**START AND END EACH DAY WITH SUPPLIES TO SUPPORT HEALTHY HABITS**

In areas where people are coming and going, the CDC recommends posting signs in highly visible locations to help promote beneficial behaviors like wearing masks, washing hands or observing social distancing. These habits not only help minimize the spread of the virus — they also fight other health threats like seasonal flu.

**ENTRANCES & EXITS**

- Hand sanitizer/dispensers
- Face protection
- Wipes/disinfectants
- Signage
- Infrared thermometers
- Disposable gloves
- Stanchions
- Barricades/cones
- Touchless trash cans
- Caution tape
- Floor marking tape
OFFICES, NURSING & GENERAL MAINTENANCE

PREPARING FOR EVERYDAY CLEANING AND ILLNESS RESPONSE

According to the CDC, supplies like face coverings and hand sanitizer can act as powerful companions to regular cleaning and disinfecting in offices and lounge spaces, where faculty and students tend to linger. And when students head to the nurse’s station, it’s important to be prepared with no-contact thermometers and essential supplies to help protect staff and visitors.

The CDC recommends waiting 24 hours before you clean or disinfect after closing off areas used by someone who is sick.

THINGS TO CONSIDER

OFFICES & NURSING
- Hand sanitizer/dispensers
- Face protection
- Wipes/disinfectants
- Signage
- Infrared thermometers
- Disposable gloves
- UV keyboard cleaners
- Pen cleaner
- UV-C air purifier

GENERAL MAINTENANCE
- Large hand sanitizer
- Face protection
- Wipes/disinfectants
- Signage
- Chemical sprayers
- Disposable gloves
- Disinfection carts
- Collapsible barricades
- Playground care

DID YOU KNOW?
The CDC recommends waiting 24 hours before you clean or disinfect after closing off areas used by someone who is sick.
If soap and water are not available and hands are not visibly dirty, the CDC recommends an alcohol-based hand sanitizer containing at least 60% alcohol.
PERSONAL PROTECTIVE EQUIPMENT (PPE)

GLOVES

LARGE NITRILE GLOVES - BLUE
PRODUCT # 2462403
- Box of 100
- Latex-free and powder free
- One size fits most

LARGE NITRILE GLOVES - BLACK
PRODUCT # 533079
- Box of 200
- Powder-free

LARGE YELLOW LATEX RUBBER GLOVES
PRODUCT # 533055
- 1-pair
- For general cleaning
- Cotton flock interior lining for comfort
- Chemical-resistant to mild detergents, acids, solvents and germicides

LARGE VINYL CLEANING GLOVES
PRODUCT # 882518
- 50-count
- Latex and powder free
- Form fitting and flexible
- High quality vinyl material

LARGE YELLOW LATEX RUBBER GLOVES
PRODUCT # 533055
- 1-pair
- For general cleaning
- Cotton flock interior lining for comfort
- Chemical-resistant to mild detergents, acids, solvents and germicides

APPAREL

L/XL POLYPROPYLENE PROTECTIVE COVERALLS
PRODUCT # 163369
- Coveralls protect clothes
- Elastic sewn in back and legs
- Tough and durable protective wear

L/XL Microporous Film Laminated Protective Heavy-Duty Coveralls
PRODUCT # 631595
- Solvent resistant protection against nonhazardous particulates
- Liquid resistant and lightweight material
- Can be used for paint and pesticide spraying

DISPOSABLE SHOE COVERS
PRODUCT # 891224
- 300-pack
- Slip resistant and easy to slip over shoes
- Protects shoes from paint spatters and spray
- Protects carpets and floors from tracking dirt or paint
- One size fits most

NATURAL FIBER PROTECTIVE HOOD
PRODUCT # 126332
- Protects head, face and neck
- One size fits most
- Washable

ESSENTIALS

BOUNTY PREMIUM ROLL PAPER TOWELS
PRODUCT # 540026
- 24-count
- White 2-ply perforated roll towels
- 83 towels per roll
- 2X more absorbent than regular roll

HEAVENLY SOFT KITCHEN ROLL TOWEL
PRODUCT # 540022
- 30-count
- White 2-ply perforated roll towels
- 85 sheets per roll

COTTON KNIT RAGS, RECYCLED WHITE
PRODUCT # 544150
- White cotton rags 5-lb
- Washed white cotton knit cloths from unused pre-consumer waste cloth

SCOTT RAGS IN-A-BOX
PRODUCT # 544120
- Box of 200
- Disposable towels in pop-up dispenser box
- White 10” x 14” heavy-duty paper wiping rags

WORKMAN’S FRIEND SKIN BARRIER CREAM - 3.8-OZ
PRODUCT # 516211
- Effectively hydrates and moisturizes skin
- Hands are clean with a single wipe
- Guards against skin irritants, glue, paint, grime and dirt
- Odorless and non-toxic

To view our full range of products, visit LowesForPros.com

After using disposable gloves, throw them out in a lined trash can. Do not disinfect or reuse the gloves, per CDC guidance.

Stock up on bottled water to help cleaning and maintenance crews stay hydrated as they work hard to prepare your campus for students and staff.
Why do masks matter? Carriers of COVID-19 can spread the disease long before they begin to show symptoms. According to the CDC, when more people wear face coverings, the risk of infection goes down.
Sprayers can make fast work of applying disinfectant to common areas, classrooms, school buses and more.

SAFETY TIP
Sprayers can make fast work of applying disinfectant to common areas, classrooms, school buses and more.

CLEANING EQUIPMENT

MOPS & CARTS

SWIFFER SPRAY MOP DOUBLE NOZZLE - 16.9-FL OZ
PRODUCT # 687870
Designed to act as a hardwood floor cleaner, laminate floor cleaner, and tile cleaner
• Starter kit includes (1) power floor spray mop, (3) extra power pad refills, (2) original mopping pad refills, (1) 500 mL bottle of cleaning solution, (4) batteries

WAVEBRAKE 35-QUART COMMERCIAL MOP WRINGER BUCKET WITH WHEELS
PRODUCT # 92746
• High-efficiency side-press wringer
• Tested to exceed 50,000 wringing cycles
• Durable construction

NON-WRINING STRING MOP
PRODUCT # 71486D
• #24 looped-end mop
• Use for everyday cleaning at work and home
• Comes with 60" Invader handler

CADDYS

CLEANING CADDY
PRODUCT # 803855
• Large compartments fit nearly all standard chemical cleaner bottles and wipes
• Small compartments are great for sponges, brushes, gloves and rags

SQUEEGEES

RUBBER WINDOW SQUEEGEE
PRODUCT # 202656
• Convenient all-in-1 tool
• Long-lasting silicone blade
• Work safely from the ground with 5-ft pole (included)

CLEANING EQUIPMENT

SPRAYERS

CLOROX TOTAL 360 ELECTROSTATIC SYSTEM
SPECIAL ORDER PRODUCT
• Delivers superior coverage in an efficient, cost-effective way
• The system uses 65% less solution, works 75% faster and covers 18,000 sq ft per hour

GRACO HP 130 CART AIRLESS SANI-SPRAYER
PRODUCT # 547392
• Dual guns provide maximum productivity & sanitation
• Spark-free motor allows spraying of alcohol-based chemicals
• Extend spraying without any refills
• Cart easily moves sprayer and chemical bucket together

GRACO HP 20 CORDLESS SANI-SPRAYER
PRODUCT # 547390
• For areas that require maximum portability
• Includes (2) DeWalt 20V lithium-ion batteries & charger
• Sprays up to 2.5-gallons per charge
• Ability to spray alcohol-based chemicals

PLASTIC SPRAY BOTTLE
PRODUCT # 502461
• 32-oz fluid capacity
• Integrated scale
• Convenient contents label

BACK TO SCHOOL GUIDE
Don’t forget about the spaces beyond your walls — like outdoor stanchions and signage to support 6 feet of separation at student pick-up and drop-off points.

SAFETY EQUIPMENT & SIGNAGE

SIGNAGE

SAFETY POSTER: COVID-19 KEEP THE WORKPLACE SAFE
- SPECIAL ORDER PRODUCT
  - 22" x 17", non-laminated
  - Promotes good hygiene throughout your facility
  - Printed in bold, eye-catching colors

10" X 14" ANSI BLANK CAUTION SIGN
- PRODUCT # 1258786
  - Great for businesses and construction zones
  - High visibility Caution Sign
  - Features a blank space to insert custom message

4" X 6" SOCIAL DISTANCING ADHESIVE DECAL
- PRODUCT # 2538021
  - Easy to display on windows, counters or aisles
  - Printed on white self-adhesive vinyl

SIGN HOLDER WITH PEDESTAL STAND
- SPECIAL ORDER PRODUCT
  - 11"W x 15"D x 62"H
  - Comes with a round metal base and adjustable metal pole that allows for height adjustment
  - 11"W x 17"D sign
  - Acrylic clear vertical style

O’CEDAR WET FLOOR SIGN
- PRODUCT # 537225
  - Folding design for convenient storage
  - Tubular plastic/polyester
  - 11"W x 26-1/2"H double-sided

10" X 14" ANSI BLANK CAUTION SIGN
- SPECIAL ORDER PRODUCT
  - 22" x 17", non-laminated
  - Promotes good hygiene throughout your facility
  - Printed in bold, eye-catching colors

SAFETY EQUIPMENT

2" SAFETY TAPE
- PRODUCT # 213811
  - 1-piece per retail package
  - Made using heat-resistant vinyl, an extremely durable material that is flexible and resistant to impact, weather and tear
  - 2" x 24"

REFLECTIVE SAFETY TAPE
- PRODUCT # 85990
  - Self-adhesive vinyl tape
  - Water resistant
  - 2" x 24"

MOBILE BARRICADE SECTION
- SPECIAL ORDER PRODUCT
  - Easy set-up plastic, walled crowd control orange barricade with steel legs and feet
  - 3’W x 4’H x 86-1/4'L
  - 50% thicker double-wall panel, prevents warping or bending
  - Holes for bolting signs if required

SAFETY FIRST FOLDING FABRIC BARRIER
- SPECIAL ORDER PRODUCT
  - 38"H x 3-1/2'D x 6'9" expanded length inches
  - Tubular plastic/polyester
  - Green/yellow with red print

28" SAFETY WORKS ORANGE TRAFFIC SAFETY CONE
- SPECIAL ORDER PRODUCT
  - Injection molded engineering makes cone more durable
  - Engineered to meet MUTCD and most DOT specifications
  - 360° visibility

ON-THE-SPOT TOUCHLESS DISPENSER
PRODUCT # 516247
• Automated touchless hand sanitizer dispenser
• 1000 mL capacity
• For refills, utilize MSH 516246

ON-THE-SPOT COUNTERTOP STAND
PRODUCT # 516248
• Countertop component of On-the-Spot Automated dispenser (516247)

ON-THE-SPOT FLOOR STAND
PRODUCT # 516249
• Floor component of On-the-Spot Automated dispenser (516247)

ON-THE-SPOT HAND SANITIZER - 16-OZ PUMP
PRODUCT # 516244
• Gel-based hand sanitizer
• Kills over 99% of harmful germs
• Quick drying anti-bacterial formula that moisturizes hands

ON-THE-SPOT HAND SANITIZER - 8-OZ
PRODUCT # 516245
• Gel-based hand sanitizer
• Kills over 99% of harmful germs
• Quick drying anti-bacterial formula that moisturizes hands

ON-THE-SPOT HAND SANITIZER REFILL - 1.3-GAL
PRODUCT # 516246
• Use to refill On-the-Spot Hand Sanitizer Dispenser (516247)

ON-THE-SPOT HAND SANITIZER - 8-OZ PUMP
PRODUCT # 516244
• Gel-based hand sanitizer
• Kills over 99% of harmful germs
• Quick drying anti-bacterial formula that moisturizes hands

ON-THE-SPOT HAND SANITIZER REFILL - 1.3-GAL
PRODUCT # 516246
• Use to refill On-the-Spot Hand Sanitizer Dispenser (516247)

STEPNPULL ALUMINUM 5" W PULL PLATE
PRODUCT # 955652
• 2-pack
• Gives user the option of pulling the door open with their foot instead of using their hand
• Helps reduce the spread of germs
• Perfect compliment to an automatic hand dryer - reduce or eliminate paper towel usage

SPECIAL ORDER PRODUCT
• 11-1/4"x 15"x 9-1/16"D
• Automatic paper towel dispenser holds towel rolls of any leading brand up to 800 ft (9" W)
• Adjustable settings for sheet length, time delay and paper saving mode
• Requires (4) D alkaline batteries (not included) for long term operation

SLOAN MOTION FLUSH VALVE - FLUSH-O-METER SENSOR - POLISHED CHROME
PRODUCT # 832265
• High-efficiency and operates at 1.28 GPF
• (4) AA Duracell batteries included, average battery life 6 years at 4,000 flushes per month
• ADA compliant, hands-free activation

LUTRON MAESTRO SINGLE-POLE WHITE 2-AMP OCCUPANCY/VACANCY MOTION SENSOR
PRODUCT # 2536492
• Automatically turns the lights on when you enter a room and off when you leave
• Optional Programming Mode: senses daylight so lights do not turn on when there is enough natural light in the room

To view our full range of products, visit LowesForPros.com

Touchless products like motion-activated soap dispensers and hands-free door pulls can help freshly washed hands stay that way a bit longer.
SAFETY TIP
Don’t forget the extra essentials you’ll need to make flexible spaces functional and secure — including storage carts, extension cords and do-it-yourself materials like concrete blocks, sandbags and lumber to help support portable tents, signs or barricades.

**TARPS & DROP CLOTHS**

**CINCHITE C-INTITE TARP ZIPPER**

- Product Code: # 1084251
- Self-adhesive zipper that creates an instant door
- Attaches to tarps and plastic sheeting
- Creates an enclosed, accessible work area

**BLUE HAWK 8 FT X 10 FT POLYETHYLENE TARP**

- Product Code: # 181793
- 8 ft x 10 ft, silver/brown reversible tarp
- Water, tear, mildew and UV resistant
- Contractor grade utility tarp

**BLUE HAWK 12 FT X 16 FT PLASTIC TARP**

- Product Code: # 107736
- 12 ft x 16 ft finished size, silver/brown color, 14 x 14 mesh
- Aluminum grommet at 18” interval, corners reinforced with corner patch
- All 4 edges are heat sealed and reinforced by PE rope in hem

**9 FT X 12 FT CANVAS DROP CLOTH**

- Product Code: # 824310
- Heavy canvas with anti-skid backing
- Protects against drips and spills

**9 FT X 12 FT PLASTIC DROP CLOTH**

- Product Code: # 824305
- 2 mil clear plastic
- Suitable for repeated use

**12 FT X 100 FT PLASTIC SHEETING**

- Product Code: # 730051
- 4 mil multi-purpose clear plastic sheeting
- 100% advanced multi-layer polyethylene
- Perfect as a vapor barrier

**TARPS, DROP CLOTHS, SHEETING & LINERS**

When more permanent solutions are unavailable, versatile supplies like tarps and plastic sheeting can be hung from ceilings to serve as physical barriers.

**LINERS**

**CONTRACTOR'S CHOICE CONTRACTOR 55-GALLON BLACK OUTDOOR PLASTIC CONSTRUCTION TRASH BAG**

- Product Code: # 226273
- 40-pack
- Heavy duty black drum liner
- Easy-to-use flat tie closure
- 1 mil thick tear resistant trash bag

**MIXIE 39-GALLON BLACK OUTDOOR PLASTIC LAWN AND LEAF TRASH BAG**

- Product Code: # 1217526
- 40-pack
- Heavy duty outdoor bag with drawstring closure
- Flex Defense
- Black

**55-60-GALLON SUPREME OUTDOOR LOW DENSITY TRASH BAGS**

- Product Code: # 545057
- 100-pack
- 2.0 mil low density, 38” x 58”
- Black with flat seal bottom
- High strength, flat packed in dispenser boxes

**55-60-GALLON 70% RECYCLED MATERIAL LINERS**

- Product Code: # 545073
- 100-pack
- 1.3 mil equivalent ‘Green’ trash bags
- Consists of 100% post-consumer waste resins
- 38” x 58”

**SAFETY TIP**

When more permanent solutions are unavailable, versatile supplies like tarps and plastic sheeting can be hung from ceilings to serve as physical barriers.

**HELPFUL HINT**

Traditional make-ready supplies, like drop cloths and trash bags, may find new uses as you prepare your campus to reopen this year. Be sure to order a few extras to meet unexpected needs or higher-than-usual demand.
PORTABLE TENTS & MISCELLANEOUS ITEMS

PORTABLE TENTS

20 FT X 10 FT WHITE ENCLOSED CANOPY WITH WINDOWS
PRODUCT # 856328
• Special Order Product
• 9 ft 9” height
• 8 legs/poles
• Unassembled, zippered roll-up

Z-SHADE 10-FT L SQUARE BLUE POP-UP CANOPY
PRODUCT # 856328
• Slant leg frame with shade coverage
• Simple push-pin height adjustments
• Instant set up in just minutes, no tools required

FOLDING TABLES & CHAIRS

INDOOR GRAY METAL Padded Vinyl Standard Folding Chair
PRODUCT # 1963405
• Folds up tight and compact for easy storage
• Use of two cross braces and tube-in-tube reinforced frame
• Easy to clean and durable steel frame with powder-coat finish

INDOOR BLACK METAL SOLID STANDARD FOLDING CHAIR
PRODUCT # 1086517

WE’RE HERE TO HELP!

Our Back to School Guide features select products and helpful hints for reopening. If you’re unable to find the specific product you’re looking for, LowesForPros.com offers many more options. Whether you prefer to shop online, pick up the phone or email your order, we’re here to help. When emailing, be sure to include your name, contact information, item numbers (if known), requested quantities and product descriptions — along with your preference to pick up at your local store or have the product delivered. We want to help you save time, save money and get back to what you do best — start each year with a clean slate.
