

# Reusable, 2 ply face mask

Customize with your design

Help protect others and yourself with these comfortable, moisture-wicking face masks. These reusable face coverings can be custom printed with your logo or message, plus they're available with a head strap or adjustable ear loop for enhanced comfort and fit.

## • Material

- Outside layer: Jersey polyester
- Inside layer: Polyester with quick-dry, moisture-wicking material for added comfort

## • Securement options

- Head strap
- Ear loop with toggle to adjust fit

- **Custom print** entire front panel with your design (contact your Medline Representative for minimum quantities and production time)
