

## Vaccines & Pharmaceutical Supply Solutions with Medline Industries, Inc.

Medline Industries Inc. is a medical supplies provider with more than four decades of experience in the education market. With an extensive product offering featuring a unique manufacturer direct structure, as well as access to most national brands, Medline is a one-of-a-kind provider.

This competitively solicited contract provides terrific pricing, fast delivery, and a range of ordering options, including electronic ordering. From the smallest order to end-to-end supply chain solutions, Medline is distinctly positioned to provide all the pharmaceutical and related supplies you need, exactly when you need them.

### Agreement Highlights:

- Full range of vaccines, OTC's and pharmaceuticals
- Access to vaccines for employees and students
- Access to a pharmaceutical formulary review by registered pharmacists
- Rx/OTC overnight shipping on all refrigerated pharmaceuticals
- Over 40 distribution centers, nationwide
- Real time reporting
- Electronic ordering and e-Procurement solutions
- Medline is available as part of E&I's ESM offering
- Dedicated field support and customer service
