Medical Supply Solutions with Medline Industries, Inc.

Medline is a medical supplies provider with over four decades of experience in the education market. With an extensive product offering featuring a unique manufacturer direct structure, as well as access to most national brands, Medline is a one-of-a-kind provider.

This competitively awarded contract provides terrific pricing, fast delivery, and a range of ordering options, to help standardize purchases to one source. From the smallest order to end-to-end supply chain solutions, Medline is distinctly positioned to provide all the medical supplies you need, exactly when you need them.

Agreement Highlights:

- Full range of medical surgical products, equipment, and apparel
- E&I member net price list
- Customized member hot lists
- Over 40 distribution and service centers, nationwide
- Next day delivery to 99% of the United States, including Alaska and Hawaii
- Electronic ordering and e-procurement solutions
- Medline is available through E&I’s ESM and JAGGAER offerings
- Dedicated field support and customer service

For additional information, please contact your local E&I Member Relations Executive or Michael Costigan, Portfolio Support Executive - Science, at mcostigan@eandi.org. You can also visit us at www.eandi.org.

This competitively awarded contract with Medline is an ideal solution for:

- Schools of Medicine, Dentistry and Nursing
- Clinics, Infirmaries and Wellness Centers
- Lab Animal Research Facilities
- Health Tech/Assistance Programs
