Part 1: GENERAL OVERVIEW

Part 1 of this document is intended as an explanatory overview only and does not include comprehensive specifications. Additional details and specifications are provided in the sections that follow.

1.1 Description of Cooperative

Educational & Institutional Cooperative Services, Inc. (E&I) is a member owned New York not-for-profit corporation established in 1934 and is governed by a Board of Directors. The Board of Directors is a group of professionals who are elected by the E&I Membership. The Board provides oversight to ensure the Members' needs are addressed and met. Our Membership is comprised of public and private universities and colleges, community colleges, other affiliated members, K-12, and teaching healthcare facilities throughout the United States.

The power of cooperative purchasing enables E&I to issue competitive solicitations and negotiate contracts for its Members on a wide variety of products and services. E&I currently maintains a large and robust portfolio in the areas of scientific equipment and supplies, furniture, interior furnishings, computer and software, electronics, multimedia, maintenance, food service, office equipment and supplies, transportation and delivery services.

1.2 Purpose and Intent of the Request for Proposal (RFP)

The purpose of this RFP is to establish a cost effective Master Agreement (“Agreement”) which complies with our Member procurement requirements and will provide E&I Members a procurement vehicle to acquire the products and/or services outlined in the Scope of Services in Part 2.

E&I is committed to utilizing purchasing and business practices in accordance with the National Association of Educational Procurement Code of Ethics. The primary goals and objectives of E&I are to: (1) assist our Members to obtain the absolute lowest cost and best value that exceeds other public sector consortia agreements, (2) establish a strategic sourcing partnership with any selected manufacturer(s) and authorized dealers, and (3) enhance our position as the premier Cooperative Purchasing Service for Education.

1.3 Market Opportunity

By satisfying the above Member needs, the Cooperative anticipates significant Member purchases to be recorded against the resulting Agreement(s). The Cooperative currently has approximately 3,800 Members, comprised of roughly 50% public and 50% private. K-12 school districts, academic healthcare and research institutions have become eligible for membership in E&I. The Cooperative's expectations are a substantial opportunity for growth (in terms of Member purchases) with competitively awarded Agreement(s) in these markets. There is also interest in utilizing the potential contract by the Participating Oregon Community Colleges (POCC).

1.4 Member Participation

Once the awarded Supplier has been established and the Agreement finalized, individual E&I Members (in some situations Member departments) will review the awarded Supplier's program and determine their individual participation. The awarded Supplier's program includes the Agreement along with additional supporting materials (if any) developed by the awarded Supplier.

Some Members may have existing agreements now in place. Those Members that do, will consider this program as their existing agreements expire or, if available, may choose to opt out of existing agreements. For large dollar orders, Members retain the right to do individual Member competitive solicitations.

The awarded Supplier shall be provided an electronic file listing of E&I Members. Updated versions will be sent as needed. E&I will post the awarded Supplier's program, in the form of an E&I Agreement, on the E&I internal web site. The E&I web site is password protected and only available to the Members.

The purchase of products and/or services by a Member from Supplier is a transaction solely between Member and Supplier. It is understood and agreed that if any litigation arises between Supplier and any E&I Member, Supplier shall not make E&I a party to that litigation. A violation of this provision shall be deemed a material breach of this Agreement warranting termination by E&I, and Supplier agrees to indemnify E&I against and hold it harmless from all costs associated with such litigation, including reasonable attorney's fees.

10. Indemnification of E&I and Member

Supplier agrees to indemnify and hold harmless E&I and its Members from and against all liability, to the extent of and in proportion to, losses, damages, claims, liens, and expenses (including reasonable legal fees) arising out of or connected with the products purchased, work or services performed, or resulting from property damage or injuries incurred by or to the Member or its officers, agents, servants and employees by reason of any defect in manufacture, construction, inspection, delivery, material, workmanship, and/or design of any goods and services furnished hereunder, excepting only such liability as may result solely from the acts of negligence of the Member, E&I or its employees. Supplier, at the request of the Member and E&I, shall undertake to defend any and all suits and to investigate and defend any and all claims whether justified or not, if such claim or suit is commenced against Member or E&I, or their respective officers, agents, servants, and employees.

Supplier has the duty to collect all taxes in connection with the sale, delivery or use of any items, products or services included herein from Member or from E&I (if for the purpose of resale), at the taxable rate in effect at the time of invoicing. Supplier shall comply with the state sales tax requirements of each Member. If sales to Member are exempt from such taxes, Member shall furnish to Supplier a certificate of exemption in form and timeliness acceptable to the applicable taxing authority.

The parties agree to comply with applicable state and federal rules governing Equal Employment Opportunity and Non-Discrimination.

17. Sexual Harassment

Federal law and the policies of E&I prohibit sexual harassment. Supplier is required to exercise control over its employees so as to prohibit acts of sexual harassment. If a Member in its reasonable judgment determines that any employee of Supplier has committed an act of sexual harassment, Supplier agrees as a term and condition of this Agreement to cause such person to be removed from Member’s facility and to take such other action as may be reasonably necessary to cause the sexual harassment to cease.

18. Compliance with Specifications

The Supplier warrants that all goods, services, or work supplied under this Agreement shall conform to specifications, drawings, samples, or other descriptions contained or referenced herein and shall be merchantable, of good quality and workmanship and free from defect. Neither receipt of goods nor payment therefore shall constitute a waiver of this provision.

19. Gratuities

E&I may, by written notice to Supplier, cancel the Agreement if it discovers that gratuities, in the form of entertainment, gifts or the like, were offered or given by Supplier to any officer or employee of E&I or any Member with a view toward securing an agreement or securing favorable treatment with respect to the awarding of this Agreement.

20. Covenant Against Contingency Fees

Supplier certifies that it has neither offered nor paid a contingency fee to any individual, agent, employee of E&I, or employee of any Member to secure or influence the decision to award this Agreement to Supplier.

21. Suspension or Debarment

E&I may, by written notice to the Supplier, immediately terminate the Agreement if it is determined that the Supplier has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor by any public procurement unit or other governmental body.

22. Conflict of Interest

In order to avoid even the appearance of any conflict of interest, neither E&I nor Supplier shall employ any officer or employee of the other party for a period of one year from the date hereof.

23. Strikes or Lockouts

ATTACHMENT A – General Terms and Conditions

In the event Supplier should become involved in a labor dispute, strike or lockout, Supplier will be required to make whatever arrangements that may be necessary to insure that the conditions of this Agreement are met in their entirety. Should the Supplier be unable to fulfill its obligations under this Agreement, E&I and/or Member shall have the right to make alternative arrangements to insure the satisfactory performance of the Agreement during the time Supplier is unable to perform the required duties. Any costs incurred by E&I and/or any Member, as a result of such job action, shall be reimbursed by the Supplier.

No waiver or modification of any of the provisions hereof shall be binding unless mutually agreed upon by E&I and the Supplier, in writing, with signatures of authorized representatives of all parties authorizing said modification.

26. Termination for Convenience

E&I may terminate this Agreement for any reason (convenience) by delivering not less than one hundred eighty (180) calendar days prior written notice thereof to the Supplier.

27. Termination and Termination for Default

E&I will notify the Supplier upon discovery of a breach of this Agreement. E&I may terminate this Agreement immediately upon the breach of this Agreement by Supplier by delivering written notice to Supplier, or if such breach is capable of being cured, E&I shall notify the Supplier in writing of such breach and demand that the same be cured within fourteen (14) calendar days. Should the Supplier fail to cure the same within said period, E&I shall then have the right to terminate this Agreement at the end of the fourteenth (14th) day. A notice will be sent to the Supplier to confirm the termination.

The failure of E&I on behalf of its Members to exercise its rights of termination for cause due to Supplier’s failure to perform as required in any instance shall not constitute a waiver of termination rights in any other instance. An order by a Member may be cancelled due to non-appropriation of funds. This funding out clause is required by several states and can be for non-appropriation of State and Federal funds.

28. Continuation of Performance Through Termination

Supplier shall continue to perform, in accordance with the requirements of this Agreement, up to the date of termination, as directed in the termination notice.
